Directions:

- From Denver- Take 1-70 West from the Denver airport, take exit 232/Hwy 40 (about 10 minutes past Idaho Springs) and follow Hwy 40 North up and over Berthoud Pass and down into Winter Park.
- Turn LEFT at the 2nd stop light and onto Old Town Drive. This is the north entrance of the resort and entrance to Old Town.
- Go west (down the hill) approximately 1/4 mile or less.
- Turn RIGHT at the stop sign at the bottom of the hill and onto Winter Park Drive
- Turn RIGHT almost immediately onto Trademark Drive. You'll see the Trademark sign and the green entry gates. The Fraser River will be on your left as you drive down Trademark Drive.
- Trademark 3-2 will be the first building on your right as you drive up Trademark Drive. (It's Bldg 3)
- Pull into the garage driveway. You will need to enter the garage access code on the garage keypad in order for the garage door to open.
- If unsure you are in the right location, look for the number "20" on the building. The number is on the front of the building near the glass front door. You won't see the number until you go past the garage entrance.
- Once inside the garage, you can park one car in the "Reserved for Unit 2" spot and another in any Guest Spot.
- Do not use more than one Guest spot or park in any other "Reserved For Unit" spot". Your vehicle is subject to towing if not parked in the proper parking spots.

Accessing the Condo, Parking and Ski Storage:

- There is parking for two of your cars inside the secure, heated garage. Use the garage access code specific for your stay to open the garage door. It was sent to you in a separate email.
- Enter the 4-digit garage access code onto the green keypad located on a pole just outside the garage entry door. You may have to brush some snow off the top if it has been snowing heavily at the time of your arrival. Once the code is entered, the garage door will open and the lights inside will come on automatically as you slowly drive the vehicle inside.
- Park the vehicle in the "Reserved for Unit 2". You may park a 2nd vehicle in any one of the designated Guest

Spots. There will be parking permits for your two vehicles inside the condo. You will find them on the kitchen counter or dining room table, by the additional key sets. Once inside, please take the parking permits and place them on the left side your vehicle(s) front dashboard

- Do not park in any other spot marked as “Reserved For” or take more than 1 guest spot. Allegiant Management Company patrols the parking garages and will have your vehicle towed if it is not parked in your designated spots.
- Additional outdoor parking is available at several spots on the Trademark grounds and at the nearby Resort parking lots. If you need additional parking, please give us a call and we will be happy to assist you.
- The entry for the condo is via the stairway. The stairway door is located directly behind the “Reserved for Unit 4” parking spot. Open the door and go up the inner stairway all the way to the first floor landing. The condo door is marked “2” and currently has a “Camp Mary” boot decoration on the door.
- Our ski locker (ski locker #2) is also located on the 1st floor, just to the right of the front door of the condo. It too is marked with a “2” on the door. The condo lock box can be found on the ski locker door.
- The key to the front door is inside the lock box, located on the ski locker #2 door knob. The lock box will have a specific combination assigned to you for your stay.
- The lock box combination will be sent to you by separate email 2 to 3 days before your stay.
- Please give us a reminder call if you have not received your garage code access and lock box codes 3 days before arrival.
- Once inside the condo, there will be an additional 2 sets of condo keys on the kitchen counter for your use during your stay.
- The key to the community outdoor hot tub is kept on the kitchen countertop and is labeled.
- Please return the lock box keys to the lock box immediately after entering the condo. The door will occasionally lock when it closes. If you should inadvertently lock yourself out, you will be able to get back in by using the lock box key. If you did not return the lock box key to the lock box, it may take several hours to get someone out to let you back in. There is only one locksmith in town and sometimes it takes hours, if not days, to get him out. You will be charged for an emergency lock out service call if the locksmith or maintenance must be called out to let you back in.
- If you have any problems initially accessing the unit please call us and we will make arrangements to get you inside the condo.
- The front door key will open the front door of the building as well. Once you have the key sets, you can enter the building via the front door without going through the garage. This glass front door is weighted and will close and then lock behind you so be sure to bring your keys or keep the garage access code handy.
- **DO NOT BRING SKIS, BOARDS AND POLES INSIDE THE CONDO.** Stow them in the ski locker instead.
- The ski locker is located on the 1stnd floor landing. The ski locker door will also have a “2” on it. Please leave your skis and boards in the ski locker or just outside the condo door. There are boot mats to stow your ski boots located just outside the condo door and others inside the condo under the bench seat in the mud-room.
- To exit the garage, back up carefully. There are columns in the garage on either side of the parking spots. The exit door from the garage is on the far side from the entrance door. It is one-way traffic inside the garage. Just pull up to the exit door, pull the yellow cord located on the drivers side near the exit door and the garage door will open and then close automatically.
- At check-out, please return the parking permits to the condo. There is a \$50 charge for each parking permit should Allegiant have to re-issue them
- Please leave the key sets and community hot tub keys on the counter top, lock the front door with the lock box key and return the lock box key to the lock box.
- Have a safe trip home.

How to Avoid High-Altitude Sickness:

- Take time to acclimate at lower elevations before heading to the high country
- Drink lots of water (dehydration occurs quickly at high elevations).
- Avoid alcohol for the first few days
- Eat foods high in carbohydrates.
- Take it easy the first few days.

If you still encounter symptoms of high altitude sickness, such as headaches, nausea, or dizziness, seek medical attention and go down to lower elevation for several days to acclimate.

Bears and other Wildlife:

Winter Park is home to a variety of wildlife. Moose, bear, elk, deer & fox are occasional visitors in the area. Please treat them with respect and observe from a distance. A bear was spotted in a nearby neighborhood this past summer. The animal was foraging and carried a bag of trash back into the woods. Please remember to use the "bear bars" on the trash dumpster to discourage our wildlife visitors.

Trademark 3-2 Access Code for the Front Door Lock Box.

Your specific Lock Box Code will be e-mailed to you separately a few days before arrival:

The lock box is attached to the door knob of the of the front door.

TO OPEN LOCKBOX: Lift up the black faceplate to see the combination dial. Line up the numbers on the combination dial and pull down on the lever to the left. You may also have to place your fingertips on the upper lip of the faceplate and pull downwards on the faceplate to get the assembly to open. The lock should open and the door keys will be inside.

In a nutshell:

Open the pull down tumbler cover by pushing the cover lip upwards.

Dial in the tumbler combination provided to you, from left to right.

Pull down on the latch on the left side of the lock box and the lock box should open. If it has been cold, the spring mechanism gets a bit sticky. You may have to hold down on the latch on the left and pull the lip of the black cover face plate toward you. The faceplate should then open. The keys to the condo front door and ski locker on the 2nd floor landing are inside. They are labeled.

Once inside the condo, please immediately put the lock box keys back inside the lock box, close the box and turn the tumblers.

There are 2 sets of condo keys and the key on a stick to large community hot tub on the kitchen counter top.

If you forget your keys and get locked out, you can always get the keys from inside the lock box to let yourself back in. Just remember your combination. If you forget to put the keys back in the lock box, there will be a substantial service charge for maintenance to come out and let you back in. There is only one locksmith in town. If a locksmith has to be called, it can take hours or even days to get him there. Keep my phone number handy in case of a lock-out or other problem.

Please put the lock box keys back in the lock box. ***This front door locks when it is closed.*** Should you lock yourself out, you'll be able to let yourself back in with the keys in the lock box.

Call the office at 1-303-838-5562 if you have any questions, problems or if no answer, try my cell 1-303-704-7291 or send an email. It is always best to call the office/on call-cell first.

DECK SNOW REMOVAL: Minor Maintenance is supposed to come by after major snow falls and remove the snow off the condo decks. Sometimes it may take them a couple of days to get to it. If you notice significant snow accumulation on the balcony deck, please call 1-303-704-7291.

PRIVATE HOT TUB MAINTENANCE: Laura Boxwell provides the hot tub service twice a week and between guest stays. The hot tub may be scheduled for routine chemical analysis and maintenance during your stay. Laura has a key to the condo and will let herself in. If you prefer that she not come during your stay, just let us know. We'll call and reschedule the service if it was due during your stay.

PRIVATE HOT TUB COVER SNOW REMOVAL: Laura will remove the snow from the hot tub cover when she does the hot tub checks and maintenance. If it should snow significantly between the checks, you will need to remove the snow before trying to lift up the hot tub cover. **DO NOT USE THE SHOVEL ON THE HOT TUB COVER.** The shovel will damage the cover, which will then leak and get very heavy and then have to be replaced. There is a broom located in the hallway closet used to remove snow from the hot tub cover. Do not let your children play on the hot tub cover. It is not designed to support their weight and they could possibly fall off the balcony if they climb on top of the cover. If you damage the cover, you will be billed for the replacement.

Hot Tub Use: VERY IMPORTANT:

Please check the water level in the hot tub when you arrive. If the water level appears, low, please call Judi (1-303-704-7291). If you are using the hot tub and a significant amount of water gets displaced, the pumps may shut off. They are designed to shut off if the water level gets low. Please call us immediately if this happens. Water will need to be added. In the winter, the pumps and pipes will freeze if the hot tub is not running. Please replace the hot tub cover when not in use. If the cover is left off, the heater can not keep up, the pumps will shut off and the pipes will freeze.

COMMUNITY HOT TUB: Trademark has a large outdoor hot tub for the use of all guests. It is located in the center of the common area. Turn right once outside the building and walk about 100 yards down Trademark Drive. The hot tub and gated area can be seen on your right. The key to the outdoor hot tub is kept in the basket on the kitchen counter. Please return it to the basket when not in use.

RESTAURANTS

There are several restaurants in Winter Park – some much better than others. Here are our recommendations ☺

BREAKFAST:

Here's the deal with breakfast. All the places are great and you should try eating out at least one morning before skiing and get those carbs stored up. We can't seem to stop going to Carver's but the other choices below are raved about throughout town as well.

Carver's Bakery & Cafe (970) 725-8202 - We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. It's behind Cooper Creek Square serves breakfasts, amazing cinnamon rolls and superb sandwiches. Our favorite lunch: The Mediterranean Chicken sandwich and a cup of French Onion Soup.

Rise & Shine Bakery Café (970) 726-5530: Small but great breakfast. Formerly Base Camp Bakery. New owner Peter Baldo has resurrected the all the classics, great specials, fresh roasted coffee, and fresh baked pies and muffins that we all loved. This place is usually packed so get there early. Free coffee when you walk in the door on the left – help yourself. You can also get takeout at the counter. We sit at the bar sometimes which helps you get seated faster. Located in WP, far end of town on the right hand side in a Park Place Plaza shopping center with the Conoco station Business hours are 7 am – 2 pm.

The Mountain Rose (used to be The Kitchen) (970) 726-9940) - A wonderful 'homemade' breakfast, but don't be in a hurry. There are only so many tables and they take their time cooking and serving each breakfast. It is a yellow building midway through town on the left. Well worth it if you have the time.

COFFEE:

Unlike the rest of the population, we don't drink coffee very much so we aren't the experts here. It does seem that everyone goes to the three spots below (and of course one of those is a Starbuck's!)

Rocky Mountain Roastery – (970-726-4400) A full-service coffee house featuring fresh in-store roasted coffee & espresso drinks, tea, baked goods & ice cream. Located in Fraser, in the Alco Shopping Center. Open 7am. Internet Access.

Starbuck's – (970-722-5400) at the base of Winter Park, on side of Zephyr Mountain Lodge, very nice staff and you know the rest with Starbuck's. They have helped me order since I still forget the difference between a tall and a grande...

Mountain Grind Coffee & Bistro (970) 726-0999 - In the Cooper Creek Square shops. Winter Park's newest Coffee shop and is owner operated, very friendly. A Full service coffee shop and light bistro dining for breakfast and lunch, Items such as wraps, quiche and sandwiches. Pastries, baked goods & Gelato & Gelato (Italian ice cream) too. Free high speed wireless internet for customers (15 minute limit).

LUNCH:

Rudis Deli (970) 726-8955: We go here 9 times out of 10 when we dine out for lunch. I like the Avocado Turkey Melt. Make sure you ask for the side (potato salad, macaroni salad, or chips) – it's free with the sandwich but sometimes they don't ask and you get nothing. They have breakfast too until around 11am. If there is a line, don't be in a hurry. In the same shopping center as Rocky Mountain Roastery on the west side in the middle of Winter Park.

Club Car (970) 726-1442: on the slopes, the best lunch is here at the Mary Jane base area, it was expanded and improved for '05-06. Be sure to save room for dessert—particularly the mud pie. Go early and get great service and some locale advice. One time the bartender gave me one of the coveted Mary Jane 30 stickers.

Carver's Bakery & Cafe (970) 725-8202 - We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. It's behind Cooper Creek Square serves breakfasts, amazing cinnamon rolls and superb sandwiches. The French Onion Soup is good.

DINNER:

Azteca: (970)-726-4145: Located in Fraser (at the stop light across from Safeway) and a new location in Winter park coming soon. All food is made from scratch and is fresh daily. Good food, best margaritas in Grand County and great service. Very good Mexican food at a great price. The chips and cabbage salsa are awesome. Try the chicken chimichongas.

Hernando's Pizza & Pub (970) 726-5409 - we go here more than any other restaurant in Winter Park, great place for families; casual; inexpensive; central fireplace, recommended by locals, often crowded because it has great pizza and salads. There are over \$20K of dollar bills on the walls. My dad likes it because they have a whole wheat crust option. I like it because they have a big salad that's yummy. My husband likes it because they have honey on each table to put on your pizza crust. Located in WP, far end of town, right hand side (next to Fontenot's).

The New Mirasol Southwestern Cantina: (970) 726-0280. This is my new favorite. Fresh and healthy offerings. Personal favorite is the Mountain Salad, with fresh organix mixed greens, berries and quinoa. Lots of different tacos. The diners at the neighboring table said the fish tacos were the best they've ever had...anywhere. Good food at a very reasonable price. Located in Winter Park Place Plaza, by the Conoco Station and Rise-n-Shine Bakery.

Pepe Osaka's Fish Taco: (970) 726-7159. Another new favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed Mondays and Tuesdays.

The Ditch on 40: (970) 363-7113. "It's all about the Red & Green"..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

The Ranch at Devil's Thumb (800) 933-4339 - This has become one of our favorite restaurants in the area because the drive out there, the views (make sure you arrive before sunset to see the magnificent landscape), and the food and ambience are the best around. You can eat in the fancier dining room (still can wear jeans and a sweater) or in the bar area where they frequently have live guitar music/singing. To get there, go past Fraser and turn right at County Road #83 (there will be a brown sign that says "Devil's Thumb Ranch". <http://www.devilsthumbbranch.com>

Fontenot's Cajun Cafe (970) 726-4021 - They have fresh fish dishes prepared New Orleans style. Just moved to the left side of I-40 in Winter Park as you are leaving towards Fraser. We heard it's a greatly improved atmosphere/space.

Lime (in the Village at Winter Park) is an American Cantina specializing in fresh Mexican food and mighty margaritas. The menu features some novel takes on traditional Mexican food including the traditional Japanese edamame spiced with dipping sauce; chile rellenos and sweet corn tamales. As for dessert, the key lime pie strikes exactly the right note of tangy sweetness.

Cheeky Monk Belgian Beer Café (in the Village at Winter Park) is old world atmosphere with a modern twist. Featuring the world's finest beers paired with spectacular food, Cheeky Monk serves only Belgian beers on draught and many more in the bottle. Guests can pair a fine beer with Belgian/American cuisine such as Moules Frites, a warm bowl of Waterzooi or a Liege style sugar waffle while socializing in a comfortable bistro style setting reminiscent of 19th century Belgium.

The Lodge at Sunspot (970) 726-1446 - Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. Evening dining take the new Zephyr Express gondola cabins available Thursday through Saturday, December through March. Reservations are required for dinner!

Deno's Mountain Bistro (970-726-5332) Great bar atmosphere with TV's. The dinning rooms are 'white table cloth dining' and the food is very good, especially the steaks and the French Onion Soup. On the right about a block after you enter town.

Winter Park Sushi Bar (970) 726-0447 - Sounds bizarre in a mountain town, but this place has excellent sushi and is a favorite of locals. Enjoy over 30 different sushi rolls, or if someone doesn't want to try raw fish in a ski town, they can have steak which is good as well. Located in Cooper Creek Square in downtown Winter Park.

Tabernash Tavern (970)-726-4430 – Just opened in summer 2008 and already a town favorite. Offering fresh homemade foods, including pastas, steaks, seafood dishes, salads and Chef specialties from around the globe. Call ahead for reservations. This place books up early!

New Hong Kong (970)-726-9888: Very good Chinese food, reasonably priced. Nice atmosphere and great service. We enjoy the ambiance here. Personal favorite is the hot and sour soup and orange chicken. Had tried many items on the extensive menu and all were very good . It's a great spot for lunch too!

Star of India: (970)-726-5991: Winter Park's newest restaurant, the Star of India, opened in February 2009. Located in Cooper Creek Square, the restaurant offers an all-you-can-eat lunch buffet option for just \$8.95, or order off their extensive menu for lunch and dinner. Bar service includes four Indian wines, half a dozen Indian beers, and Indian-style martinis and cosmos.

In Granby (30 minute drive, but well worth it!):

Pearl Dragon (970) 887-1777: Now located in **Granby**. Great food. We especially like the Lemon Chicken and the Mongolian Beef but it is all good. The owner, Lin, is super attentive and very friendly. Way better than any Chinese restaurant we've tried in Denver. Eat in or take out, they serve a great meal.

In Grand Lake (40 minute drive, but well worth it!):

Rapids Restaurant - fancy, on the river, far end of town

Grand Lake Lodge - summertime only; on the edge of Rocky Mountain National Park; incredible views, great food; pricey.

NIGHTLIFE AND LIVE MUSIC

Winter Park Pub (970) 726-4929: downtown on Hwy. 40, which offers traditional pub fare, 15 beers on tap, and “Mystery Beer Night.” There are a lot of 20-somethings here but no longer smoke-filled because of the new state law banning smoking in Colorado restaurants and bars. MAKE SURE YOU CALL A CAB (or take the free shuttle if it’s still running) if you’ve been drinking. They are strict in Winter Park and that’s the last thing you want during your vacation. Call Valley Taxi - (970) 726-4690.

Randi’s Irish Saloon (970) 726-1172: in downtown Winter Park is a good family restaurant with plenty of traditional pub food served at lunch and dinner. It’s also a good place to watch the game. We prefer the Chargers but they let you root for whomever you want and have banners for all teams up on the walls.

Down Under Bar & Grill (970) 726-0094: Open Mic Night, Ladies Night, Large bar area.

Smokin' Moe's (970) 726-4600: Smokin’ when it comes to live music! Check the Winter Park Chamber calendar of events for live blues music. <http://www.winterparkinfo.com/events/index.aspx>

PIZZA DELIVERY

Pizza Hut (970) 726-8101: but we recommend getting in your car and picking it up from Hernando’s (see above)

INTERNET ACCESS

Fraser Valley Library (970) 726-5689: 421 Norgren Road in Fraser. Free hi speed wireless internet and full service library.

Mountain Grind Coffee & Bistro (970) 726-0999: In the Cooper Creek Square shops. Full service coffee shop offering free high speed internet to customers (15 minute limit).
