Welcome to Dreamcatcher #180

We have furnished Dreamcatcher at Lakota #180, a half duplex, as we would our own primary residence (actually, much better). This home has stunning professional interior designer touches as well as stunning views – some of the best views of the ski area in all of Winter Park!

This spacious 5 bedroom floor plan has two living spaces, equipped with state-of-the art wall-mounted flat screen TV's with home theater sound systems, DVD/VCR, a fully equipped gourmet kitchen, wet/dry sauna, private hot tub, attached private heated two car garage, log accents, natural stone and porcelain tile, a loft, four gas log fireplaces, four and a half bathroom, four TV's with DVD players, free Wi-Fi internet and on and on and on. This magnificent home boasts two King Master Suites, one with a fireplace and each with private attached bath, one queen bedroom, a double twin bedroom and a fifth bedroom equipped with a full size bed and a twin over twin bunk bed. Distinctive high end, high quality bedding and linens are used throughout the house, with extra blankets in the closets for anyone who wishes to snuggle up in a soft cozy blanket.

The private hot tub is located on the patio outside the ground (lower level) family room and touts a spectacular and unobstructed views of the Winter Park ski slopes and great views of the Continental Divide. **Please read the hot tub directions prior to use and be sure to replace the cover after each use.** If you have any questions about the hot tub, please call Matt Beezley , our hot tub service person: Matt's cell number is: 970-531-9658. It's great to sit in the hot tub after a great day on the slopes and watch the alpenglow light up the Continental Divide!

A convenient bench and ski racks are provided in the garage. **Please do not wear ski boots in the house.** The boots will destroy the wood floors and carpet. Oh, by the way, we left a shovel in the garage to keep the snow off the deck if you get bored....

Please complete and leave the attached Guest Experience Questionnaire on the counter upon departure. Your comments and feedback are important to us.

Relax, enjoy, rest and of course, play!

Best Wishes for a wonderful stay!

How to Avoid High-Altitude Sickness:

- Take time to acclimate at lower elevations before heading to the high country
- Drink lots of water (dehydration occurs quickly at high elevations).
- Avoid alcohol for the first few days
- Eat foods high in carbohydrates.
- Take it easy the first few days.

If you still encounter symptoms of high altitude sickness, such as headaches, nausea, or dizziness, seek medical attention and go down to lower elevation for several days to acclimate.

Bears and other Wildlife:

Winter Park is home to a variety of wildlife. Moose, bear, elk, deer and fox are occasional visitors in the area. Please treat them with respect and observe them from a distance. A bear was spotted in a nearby neighborhood this past summer. The animal was foraging and carried a bag of trash back into the woods. Please remember to use the "bear bars" on the trash dumpster to discourage our wildlife visitors.

Dreamcatcher 180 Access Code for the Front Door Lock Box.

Your specific Lock Box Code will be e-mailed to you separately a few days before arrival:

The lock box is attached to the door knob of the of the front door.

TO OPEN LOCKBOX: Lift up the black plastic faceplate to see the combination dial. Line up the numbers on the combination dial and pull down on the lever to the left. You may also have to place your fingertips on the upper lip of the faceplate and pull downwards on the faceplate to get the assembly to open. The lock should open and the door keys will be inside.

In a nutshell:

Open the pull down tumbler cover by pushing the cover lip upwards.

Dial in the tumbler combination provided to you, from left to right.

Pull down on the latch on the left side of the lock box and the lock box should open. If it has been cold, the spring mechanism gets a bit sticky. You may have to hold down on the latch on the left and pull the lip of the black cover face plate toward you. The faceplate should then open. The keys to the condo front door and ski locker on the 2nd floor landing are inside. They are labeled.

Once inside the condo, please immediately put the lock box keys back inside the lock box, close the box and turn the tumblers.

There are 2 sets of condo keys and the key on a stick to large community hot tub on the kitchen counter top.

If you forget your keys and get locked out, you can always get the keys from inside the lock box to let yourself back in. Just remember your combination. If you forget to put the keys back in the lock box, there will be a substantial service charge for maintenance to come out and let you back in. There is only one locksmith in town. If a locksmith has to be called, it can take hours or even days to get him there. Keep my phone number handy in case of a lock-out or other problem.

Please put the lock box keys back in the lock box. ***This front door locks when it is closed.*** Should you lock yourself out, you'll be able to let yourself back in with the keys in the lock box.

Call our on-call cell at 1-303-704-7291 if you have any questions, problems or if no answer, call Matt at Elevated Expectations: minor maintenance, at 970-531-9658.

DECK SNOW REMOVAL: Minor Maintenance is supposed to come by after major snow falls and remove the snow off the condo decks. Sometimes it may take them a couple of days to get to it. If you notice significant snow accumulation on the balcony deck, please call 1-303-704-7291.

PRIVATE HOT TUB MAINTENANCE: Matt Beezley provides our hot tub service twice a week and between guest stays. The hot tub may be scheduled for routine chemical analysis and maintenance during your stay. Matt has a key to the property and will let himself in.

PRIVATE HOT TUB COVER SNOW REMOVAL: Matt will remove the snow from the hot tub cover when he does the hot tub checks and maintenance. If it should snow significantly between his checks, you will need to remove the snow before trying to lift up the hot tub cover. **DO NOT USE THE SHOVEL ON THE HOT TUB COVER.** The shovel will damage the cover, which will then leak and get very heavy and then have to be replaced. There is a broom located in the laundry room used to remove snow from the hot tub cover. Do not let your children play on the hot tub cover. It is not designed to support their weight and they could possibly fall off if they climb on top of the cover. If you damage the cover, you will be billed for the replacement. ***The KEY to the hot tub lock is hanging on a hook to the left of the glass slider door in the lower level family room.***

Hot Tub Use: VERY IMPORTANT:

Please check the water level in the hot tub when you arrive. If the water level appears, low, please call Matt (1-970-531-9658). If you are using the hot tub and a significant amount of water gets displaced, the pumps may shut off. They are designed to shut off if the water level gets low. Please call us immediately if this happens. Water will need to be added. In the winter, the pumps and pipes will freeze if the hot tub is not running. Please replace the hot tub cover when not in use. If the cover is left off, the heater can not keep up, the pumps will shut off and the pipes will freeze.

HEAT & COOLING: There is no A/C for this property. Like most Colorado mountain homes, we have Rocky Mountain Air Conditioning...open the doors and windows and let the cool evening breeze flow in. Our heat is in-floor radiant heat, and unlike gas forced air, responds slowly (24-48) hours to changes in the thermostat settings. Please do not adjust the thermostats or turn the heat off. This property faces west as does receive full sun most of the day. If it gets too warm (summer or winter), please close the blinds/curtains during the day when you are not enjoying the view. To cool things down quickly, you can open a door and windows for a short time...this will normally cool things down quickly. To add warmth quickly...turn on one (or more) of the fireplaces.

INTERNET: Dreamcatcher has high speed wireless internet, provided by Comcast. The wireless router is located on the desk upstairs.

- The router is secure. You will need the following information to access the internet.
- **Network Name:** Dreamcatcher180 **Security Key/Password:** Pa\$\$word (no spaces)

RESTAURANTS

There are several restaurants in Winter Park – some much better than others. Here are our recommendations ☺

BREAKFAST:

Here's the deal with breakfast. All the places are great and you should try eating out at least one morning before skiing and get those carbs stored up. We can't seem to stop going to Rise & Shine Bakery but the other choices below are raved about throughout town as well.

Rise & Shine Bakery Cafe- Small but great breakfast. Formerly Base Camp Bakery. New owner Peter Baldo has resurrected the all the classics, great specials, fresh roasted coffee, and fresh baked pies and muffins that we all loved. This place is usually packed so get there early. Free coffee when you walk in the door on the left – help yourself. You can also get takeout at the counter. We sit at the bar sometimes which helps you get seated faster. Located in WP, far end of town on the right hand side in a Park Place Plaza shopping center with the Conoco station (sign says “Bakery”). Business hours are 7 am – 2 pm.

The Mountain Rose (used to be The Kitchen) (970) 726-9940) - A wonderful ‘homemade’ breakfast, but don’t be in a hurry. There are only so many tables and they take their time cooking and serving each breakfast. It is a yellow building midway through town on the left. Well worth it if you have the time.

Carver’s Bakery & Cafe (970) 725-8202 - We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. It’s behind Cooper Creek Square serves breakfasts, amazing cinnamon rolls and superb sandwiches. Our favorite lunch: The Mediterranean Chicken sandwich and a cup of French onion Soup.

COFFEE:

Unlike the rest of the population, we don’t drink coffee very much so we aren’t the experts here. It does seem that everyone goes to the three spots below (and of course one of those is a Starbuck’s!)

Rocky Mountain Roastery - A full-service coffee house featuring fresh instore roasted coffee & espresso drinks, tea, baked goods & ice cream. 2 locations: Winter Park on the right hand side, next to Mama Falzitto’s and also in Fraser. Open 7am. Internet Access.

Starbuck’s - at the base of Winter Park, on side of Zephyr Mountain Lodge, very nice staff and you know the rest with Starbuck’s. They have helped me order since I still forget the difference between a tall and a grande.

Mountain Grind Coffee & Bistro (970) 726-0999 - In the Cooper Creek Square shops. Winter Park's newest Coffee shop and is owner operated, very friendly. A Full service coffee shop and light bistro dining for breakfast and lunch, Items such as wraps, quiche and sandwiches. Pastries, baked goods & Gelato & Gelato (Italian ice cream) too. Free high speed wireless internet for customers (15 minute limit).

LUNCH:

Rudis Deli - We go here 9 times out of 10 when we dine out for lunch. I like the Avocado Turkey Melt. Make sure you ask for the side (potato salad, macaroni salad, or chips) – it's free with the sandwich but sometimes they don't ask and you get nothing. They have breakfast too until around 11am. If there is a line, don't be in a hurry. In the same shopping center as Sushi King on the right hand side, in the middle of Winter Park.

Club Car (970) 726-1442 - on the slopes, the best lunch is here at the Mary Jane base area, it was expanded and improved for '05-06. Be sure to save room for dessert—particularly the mud pie. Go early and get great service and some locale advice. One time the bartender gave me one of the coveted Mary Jane 30 stickers.

The Ditch on 40: (970) 363-7113. "It's all about the Red & Green" chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

Carver's Bakery & Cafe (970) 725-8202 - We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. It's behind Cooper Creek Square serves breakfasts, amazing cinnamon rolls and superb sandwiches. The French Onion Soup is good.

DINNER:

Hernando's Pizza & Pub (970) 726-5409 - we go here more than any other restaurant in Winter Park, great place for families; casual; inexpensive; central fireplace, recommended by locals, often crowded because it has great pizza and salads. There are over \$20K of dollar bills on the walls. My dad likes it because they have a whole wheat crust option. I like it because they have a big salad that's yummy. My husband likes it because they have honey on each table to put on your pizza crust. Located in WP, far end of town, right hand side (next to Fontenot's).

<http://www.hernandospizzapub.com>

The Ranch at Devil's Thumb (800) 933-4339 - This has become one of our favorite restaurants in the area because the drive out there, the views (make sure you arrive before sunset to see the magnificent landscape), and the food and ambience are the best around. You can eat in the fancier dining room (still can wear jeans and a sweater) or in the bar area where they frequently have live guitar music/singing. To get there, go past Fraser and turn right at County Road #83 (there will be a brown sign that says "Devil's Thumb Ranch"). <http://www.devilsthumbbranch.com>

Pepe Osaka's Fish Taco: (970) 726-7159. Another new favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed Mondays and Tuesdays.

The Ditch on 40: (970) 363-7113. "It's all about the Red & Green"...chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a wonton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

Volarios at Vasquez Creek Inn (970) 722-1199 - in the center of Winter Park. Northern Italian mountain cuisine with a Spanish influence,

<http://volarioswinterpark.com/vasquez-creek-inn/>

Fontenot's Cajun Cafe (970) 726-4021 - They have fresh fish dishes prepared New Orleans style. Just moved to the left side of I-40 in Winter Park as you are leaving towards Fraser. We heard it's a greatly improved atmosphere/space.

Pearl Dragon (970) 887-1777: Now located in Granby. Great food. We especially like the Lemon Chicken and the Mongolian Beef but it is all good. The owner, Lin, is super attentive and very friendly. Way better than any Chinese restaurant we've tried in Denver. Eat in or take out, they serve a great meal.

Lime (in the Village at Winter Park) is an American Cantina specializing in fresh Mexican food and mighty margaritas. The menu features some novel takes on traditional Mexican food including the traditional Japanese edamame spiced with dipping sauce; chile rellenos and sweet corn tamales. As for dessert, the key lime pie strikes exactly the right note of tangy sweetness.

Cheeky Monk Belgian Beer Café (in the Village at Winter Park) is old world atmosphere with a modern twist. Featuring the world's finest beers paired with spectacular food, Cheeky Monk serves only Belgian beers on draught and many more in the bottle. Guests can pair a fine beer with Belgian/American cuisine such as Moules Frites, a warm bowl of Waterzooi or a Liege style sugar waffle while socializing in a comfortable bistro style setting reminiscent of 19th century Belgium.

Deno's Mountain Bistro - Great bar atmosphere with TV's. The dinning rooms are 'white table cloth dining' and the food is very good, especially the steaks. On the right about a block after you enter town.

Winter Park Sushi Bar (970) 726-0447 - Sounds bizarre in a mountain town, but this place has excellent sushi and is a favorite of locals. Enjoy over 30 different sushi rolls, or if someone doesn't want to try raw fish in a ski town, they can have steak which is good as well. Located on the right side of town as you approach from the resort.

Tabernash Tavern (970)-726-4430 – Just opened in summer 2008 and already a town favorite. Offering fresh homemade foods, including pastas, steaks, seafood dishes, salads and Chef specialties from around the globe. Call ahead for reservations. This place books up early!

Azteca: (970)-726-4145: Located in Fraser (at the stop light across from Safeway) and a new location in Winter park coming soon. All food is made from scratch and is fresh daily. Good food, best margaritas in Grand County and great service. The chips and cabbage salsa are awesome. Try the chicken chimichongas.

Star of India: (970)-726-5991: Located in Cooper Creek Square, the restaurant offers an all-you-can-eat lunch buffet option for just \$8.95, or order off their extensive menu for lunch and dinner. Bar service includes four Indian wines, half a dozen Indian beers, and Indian-style martinis and cosmos.

Doc's Roadhouse (970) 726-5587: At the base of Winter Park Resort in Zephyr Mountain Lodge. Great place to go after skiing and the food is quite good. Service is usually very friendly as well. Great place to watch a game and hang out for a few beers. Sample exotic appetizers and homestyle meals including Doc's Blue Plate Special. Doc's Roadhouse is open daily serving lunch & dinner.

The Lodge at Sunspot (970) 726-1446: Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. Evening dining: take the new Zephyr Express gondola cabins available Thursday through Saturday, December through March. Reservations are required for dinner!

In Grand Lake (30-40 minute drive, but well worth it!):

Rapids Restaurant - fancy, on the river, far end of town

Grand Lake Lodge - summertime only; on the edge of Rocky Mountain National Park; incredible views, great food; pricey

NIGHTLIFE AND LIVE MUSIC

The Foundry: (970) 363-7161. Winter Park's only movie theater and bowling alley. Offering 2 theaters, 8 lanes of bowling, and billiards. Relax in the comfy couches and order some wood-fired pizza and cocktails. Check out what's playing at the movies: <http://foundry-wp.com/movies/>

Winter Park Pub (970) 726-4929 - downtown on Hwy. 40, which offers traditional pub fare, 15 beers on tap, and "Mystery Beer Night." There are a lot of 20-somethings here but no longer smoke-filled because of the new state law banning smoking in Colorado restaurants and bars. MAKE SURE YOU CALL A CAB (or take the free shuttle if it's still running) if you've been drinking.

They are strict in Winter Park and that's the last thing you want during your vacation. Call Valley Taxi - (970) 726-4690.

Randi's Irish Saloon (970) 726-1172 - in downtown Winter Park is a good family restaurant with plenty of traditional pub food served at lunch and dinner. It's also a good place to watch the game. We prefer the Chargers but they let you root for whomever you want and have banners for all teams up on the walls.

Down Under Bar & Grill (970) 726-0094 - Open Mic Night, Ladies Night, Large bar area.

Smokin' Moe's (970) 726-4600 - Smokin' when it comes to live music! Check the Winter Park Chamber calendar of events for live blues music. <http://www.winterparkinfo.com/events/index.aspx>
