How to Avoid High-Altitude Sickness:

- Take time to acclimate at lower elevations before heading to the high country
- Drink lots of water (dehydration occurs quickly at high elevations).
- Avoid alcohol for the first few days
- Eat foods high in carbohydrates.
- Take it easy the first few days.

If you still encounter symptoms of high altitude sickness, such as headaches, nausea, or dizziness, seek medical attention and go down to lower elevation for several days to acclimate.

Bears and other Wildlife:

Winter Park is home to a variety of wildlife. Moose, bear, elk, deer and fox are occasional visitors in the area. Please treat them with respect and observe them from a distance.

A bear was spotted in a nearby neighborhood this past summer. The animal was foraging and carried a bag of trash/food back into the woods. Please remember to use the "bear bars" on the trash dumpster to discourage our wildlife visitors.

BASE CAMP Access Code for the Front Door Lock Box.

Your specific Lock Box Code will be e-mailed to you separately a few days before arrival:

The lock box is mounted on the wall, just to the right of the front door.

Punch in the 4 digit push pin tumbler combination, in the sequence provided.

Pull down on the black latch at the top of the faceplate, just above the box that says “open”. Pull the faceplate toward you and the lock box should open: the faceplate will come off in your hand. The front door entry key is attached on a clip to the inside of the faceplate. On occasion, you may have to repeat the procedure. The latches do get sticky, especially in cold weather. If the push-pin tumblers don’t “click” when you push them in, you may need to pull down on the lower black slide latch, located just above the box that says “clear”. This should clear the tumblers and you can then start over by entering your lock box code. You may need to do this once or twice until you get the hang of it.

Once you have the lock box opened, use the key for the front door. Turn the key clockwise 180 degrees to open the front door.

Once inside the condo, please immediately put the faceplate with the key back on the lock box. To close the lock box, use the same sequence. You’ll need to re-enter the lock box code, and pull down on the black slide latch above the box with the words “open”. If the push pin tumblers don’t “click”, you’ll need to use the “clear” slide latch and begin again. You may have to repeat the clear sequence once or twice before you get the hang of it. Just be sure to pull down firmly on the top slide latch once you’ve punched in the lock box code. The silver locking mechanism should visibly retract. Once the mechanism has retracted, keep holding down on the black slide latch to keep the locking mechanism retracted. While still holding down on the “open” slide latch, place the bottom of the faceplate in first, then the top. Release the slide latch and the face plate should be securely latched into place.

There are 2 sets of condo keys in a basket on the wet bar in the living room.

Return the lock box keys to the lock box. Our housekeeping and hot tub personnel as well as emergency maintenance use the lock box key for routine and emergency access.

If you forget your keys and get locked out, you can always get the keys from inside the lock box to let yourself back in. Just remember your lock box combination. If you forget to put the keys back in the lock box, there will be a substantial service charge for maintenance to come out and let you back in. There is only one locksmith in town. If a locksmith has to be called, it can take a while to get him there.

Call the office at 1-303-704-7291 if you have any questions or problems.

Internet Access: Base Camp 496 has high speed internet service provided by Comcast. There is a Comcast Wireless- router in the kitchen, on the counter top just to the right side of the fireplace. You can use the Ethernet cable provide and plug directly into the router or use the wireless service. To access the internet, please use the following log in information:

Wireless Network: BC496 (updated 12/17/15, new modem-router)

Deck Snow Removal & Hot Tub Cover: Minor Maintenance is supposed to come by after major snow falls and remove the snow off the condo decks. Sometimes it may take them a couple of days to get to it. They have a key to the condo and will let themselves in. There is a snow shovel in the garage that can be used to shovel the decks. Snow may pile up on the hot tub cover. **DO NOT USE THE SHOVEL ON THE HOT TUB COVER.** The shovel will damage the cover, which will then leak and get very heavy and then have to be replaced. ***Do not let your children play on the hot tub cover.*** It is not designed to support their weight and they could possibly fall off the deck if they climb on top of the cover. If you need to clear the snow off the hot tub cover, please use a broom. Matt Beezley of Elevated Expectations provides hot tub service twice a week and between guest stays. The hot tub may be scheduled for routine chemical analysis and maintenance during your stay. Matt has a key to the condo and can let himself in.

HOT TUB: VERY IMPORTANT: *Hot Tub Cover Lock Combination: 602*

Please replace and lock the hot tub cover when not in use. If the cover is left off overnight, the heater can not keep up. The pumps will then shut off and the pipes may freeze.

Do not leave children unattended in the hot tub. Be sure they do not play on top of the cover.

HOT TUB COVER LOCK Combination: 2034

HOT TUB QUESTIONS or PROBLEMS: CONTACT US FIRST: Cell: 303-704-7291

If unable to reach us, try calling Matt at 970-531-9658

WASHER & DRYERS:

Base Camp 496 has a washer and dryer on the upper. In order to ensure the washers function properly, please DO NOT change the washer cycle setting. The setting should be left as they are found when you arrive. The washers are a bit finicky and changing the settings may cause the washer to shut off completely.

FIREPLACES: There are 3 fireplaces in Base Camp 490.

- * The living room fireplace is operated by an on/off switch located on the wall on the left side of the fireplace.
- * The kitchen fireplace is controlled by the Heatilator Remote, the black remote found on the kitchen countertop next to the phone. It may take a few seconds (minute) for the flames to come on after "On" button on the remote has been clicked. If the remote is not working, use the on/off switch inside the fireplace control panel.
 - The Master Bedroom fireplace is controlled by an on/off switch on the wall to the right of the fireplace.
 - The living room fireplace is controlled by an on/off switch on the wall to the right of the fireplace.
 - The kitchen fireplace is controlled by a remote. Just press ON or OFF.

RESTAURANTS

There are several restaurants in Winter Park – some much better than others. Here are our recommendations ☺

BREAKFAST:

Here's the deal with breakfast. All the places are great and you should try eating out at least one morning before skiing and get those carbs stored up. We can't seem to stop going to Base Camp Bakery but the other choices below are raved about throughout town as well.

Rise & Shine Bakery Café (970) 726-5530: Small but great breakfast. Formerly Base Camp Bakery. New owner Peter Baldo has resurrected the all the classics, great specials, fresh roasted coffee, and fresh baked pies and muffins that we all loved. This place is usually packed so get there early. Free coffee when you walk in the door on the left – help yourself. You can also get takeout at the counter. We sit at the bar sometimes which helps you get seated faster. Located in WP, far end of town on the right hand side in a Park Place Plaza shopping center with the Conoco station. Business hours are 7 am – 2 pm.

The Mountain Rose (used to be The Kitchen) (970) 726-9940) - A wonderful 'homemade' breakfast, but don't be in a hurry. There are only so many tables and they take their time cooking and serving each breakfast. It is a yellow building midway through town on the left. Well worth it if you have the time.

Carver's Bakery & Cafe (970) 725-8202: We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. New location in downtown Winter Park in the King's Crossing Shopping Center. Serves breakfasts, fresh espresso, amazing cinnamon rolls and superb sandwiches.

COFFEE:

Unlike the rest of the population, we don't drink coffee very much so we aren't the experts here. It does seem that everyone goes to the three spots below (and of course one of those is a Starbuck's!)

Rocky Mountain Roastery (970) 726-4400: A full-service coffee house featuring fresh in-store roasted coffee & espresso drinks, tea, baked goods & ice cream. Located in Fraser in the Murdoch's Shopping Center, across from Safeway. Open 7am. Internet Access *FEE.

Starbuck's (970) 722-5400: at the base of Winter Park, on side of Zephyr Mountain Lodge, very nice staff and you know the rest with Starbuck's. They have helped me order since I still forget the difference between a tall and a grande... They also have a location inside the Safeway store in Fraser.

Mountain Grind Coffee & Bistro (970) 726-0999: In the Cooper Creek Square shops. Winter Park's newest Coffee shop and is owner operated, and very friendly. A Full service coffee shop and light bistro dining for breakfast and lunch. Items such as wraps, quiche and sandwiches. Pastries, baked goods & Gelato & Gelato (Italian ice cream) too. Free high speed wireless internet for customers (15 minute limit).

LUNCH:

Rudis Deli (970) 726-8955: We go here 9 times out of 10 when we dine out for lunch. I like the Avocado Turkey Melt. Make sure you ask for the side (potato salad, macaroni salad, or chips) – it's free with the sandwich but sometimes they don't ask and you get nothing. They have breakfast too until around 11am. If there is a line, don't be in a hurry. In the same shopping center as Rocky Mountain Roastery on the west side in the middle of Winter Park.

Club Car (970) 726-1442: on the slopes, the best lunch is here at the Mary Jane base area, it was expanded and improved for '05-06. Be sure to save room for dessert—particularly the mud pie. Go early and get great service and some locale advice. One time the bartender gave me one of the coveted Mary Jane 30 stickers.

Lunch Rock – on the mountain at the top of Mary Jane at 11,000 feet: (970) 726-0280. This is my new favorite place to eat while on the mountain. Incredible location with stunning views of the Continental Divide (James Peak, Parsenn Bowl and the Fraser Valley. Gorgeous cathedral style building with stone fireplaces and metal chandeliers. The expansive outdoor deck is a great place to relax and re-group while looking at incredible mountain views. Pricey but does have a “bring your own/serve yourself” eating area. vTry the butternut squash soup...worth the \$15!

Pepe Osaka's Fish Taco: (970) 726-7159. Only open for Lunch on Saturday & Sundas. Another favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed and Wednesdays. Dates subject to change.. Call for seasonal hours

The Ditch on 40: (970) 363-7113. “It's all about the Red & Green”..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

DINNER:

Azteca: (970)-726-4145: Located in Fraser (at the stop light across from Safeway) and a new location in Winter park coming soon. All food is made from scratch and is fresh daily. Good food, best margaritas in Grand County and great service. Very good Mexican food at a great price. The chips and cabbage salsa are awesome. Try the chicken chimichongas.

Hernando's Pizza & Pub (970) 726-5409: We go here more than any other restaurant in Winter Park, great place for families; casual; inexpensive; central fireplace, recommended by locals, often crowded because it has great pizza and salads. There are over \$20K of dollar bills on the walls. My dad likes it because they have a whole wheat crust option. I like it because they have a big salad that's yummy. My husband likes it because they have honey on each table to put on your pizza crust. Located in WP, far end of town, right hand side (next to Fontenot's).

Pepe Osaka's Fish Taco: (970) 726-7159. Only open for Lunch on Saturday & Sundays. Another favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed on Wednesdays. Dates subject to change.. Call for seasonal hours

The Ditch on 40: (970) 363-7113. "It's all about the Red & Green"..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

The Ranch at Devil's Thumb and Heck's Tavern (800) 933-4339: This has become one of our favorite restaurants in the area because the drive out there, the views (make sure you arrive before sunset to see the magnificent landscape), and the food and ambience are the best around. You can eat in the fancier dining room (still can wear jeans and a sweater) or in the bar area where they frequently have live guitar music/singing. Try the prime rib special on the weekends. To get there, go past Fraser and turn right at County Road #83 (there will be a brown sign that says "Devil's Thumb Ranch". <http://www.devilsthumbbranch.com>

Deno's Mountain Bistro: (970) 726-5332: Great bar atmosphere with TV's. The dining rooms are 'white tablecloth dining' and the food is very good, especially the steaks. The Greek salad is great too. On the right about a block after you enter town. Favorite place to sit is in the little alcove right in front of the fireplace.

Vertical (in the Village at Winter Park) (970) 393-7053: is an American style Bistro & tap Room.

Fontenot's Cajun Cafe (970) 726-4021: They have fresh fish dishes prepared New Orleans style. Just moved to the left side of I-40 in Winter Park as you are leaving towards Fraser. We heard it's a greatly improved atmosphere/space.

Doc's Roadhouse (970) 726-5587: At the base of Winter Park Resort in Zephyr Mountain Lodge. Great place to go after skiing and the food is quite good. Service is usually very friendly as well. Great place to watch a game and hang out for a few beers. Sample exotic appetizers and homestyle meals including Doc's Blue Plate Special. Doc's Roadhouse is open daily serving lunch & dinner.

The Lodge at Sunspot (970) 726-1446: Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. Evening dining: take the new Zephyr Express gondola cabins available Thursday through Saturday, December through March. Reservations are required for dinner!

Winter Park Sushi Bar (970) 726-0447: Sounds bizarre in a mountain town, but this place has excellent sushi and is a favorite of locals. Enjoy over 30 different sushi rolls, or if someone doesn't want to try raw fish in a ski town, they can have steak which is good as well. Located on the right side of town as you approach from the resort.

Star of India: (970)-726-5991: Winter Park's newest restaurant, the Star of India opened in February 2009. Located in Cooper Creek Square The restaurant offers an all-you-can-eat lunch buffet option for just \$8.95, or order off their extensive menu for lunch and dinner. Bar service includes four Indian wines, half a dozen Indian beers, and Indian-style martinis and cosmos.

Tabernash Tavern (970) 726-4430: Just opened in summer 2008 and already a town favorite. Offering fresh homemade foods, including pastas, steaks, seafood dishes, salads and Chef specialties from around the globe. Call ahead for reservations. This place books up early!

Pearl Dragon (970) 887-1777: Granby. Great food. We especially like the Lemon Chicken and the Mongolian Beef but it is all good. The owner, Lin, is super attentive and very friendly. Way better than any Chinese restaurant we've tried in Denver. Eat in or take out, they serve a great meal.

In Grand Lake (30-40 minute drive, but well worth it!):

Rapids Restaurant (970) 627-3707: fancy, on the river, far end of town

Grand Lake Lodge (970-627-9495): summertime only; on the edge of Rocky Mountain National Park; incredible views, great food; pricey.

NIGHTLIFE AND LIVE MUSIC:

The Foundry: (970) 363-7161. Winter Park's only movie theater and bowling alley. Offering 2 theaters, 8 lanes of bowling, and billiards. Relax in the comfy couches and order some wood-fired pizza and cocktails. Check out what's playing at the movies: <http://foundry-wp.com/movies/>

Winter Park Pub (970) 726-4929: downtown on Hwy. 40, which offers traditional pub fare, 15 beers on tap, and "Mystery Beer Night." There are a lot of 20-somethings here but no longer smoke-filled because of the new state law banning smoking in Colorado restaurants and bars. MAKE SURE YOU CALL A CAB (or take the free shuttle if it's still running) if you've been drinking. They are strict in Winter Park and that's the last thing you want during your vacation. Call Valley Taxi - (970) 726-4690.

Randi's Irish Saloon (970) 726-1172: in downtown Winter Park is a good family restaurant with plenty of traditional pub food served at lunch and dinner. It's also a good place to watch the big game. We prefer the Chargers but they let you root for whomever you want and have banners for all teams up on the walls.

Smokin' Moe's (970) 726-4600: Smokin' when it comes to live music! Check the Winter Park Chamber calendar of events for live blues music. <http://www.winterparkinfo.com/events/index.aspx>
