- Turn LEFT at the 2nd stop light and onto Old Town Drive. This is the north entrance of the resort and entrance to Old Town.
- Go west (down the hill), past the resort parking lot to the bottom of the hill - approximately 1/4 mile.
- At the bottom of the hill you will see the north entrance gate to the resort and a stop sign.
- Turn RIGHT at the stop sign onto Winter Park Drive. Drive past the entrance to Trademark on your right.
- You will cross over a small stone bridge over the Fraser River.
- You will see the Ski Exchange on your left. The entrance to Slopeside Village is past the Ski Exchange. Look for the Clover Lane Street Sign on your left. Clover Lane is a very short loop.
- Turn LEFT onto the 1st Clover Lane. Bear left and take the upper loop. Unit 203 is the last building on the upper loop. It is a middle unit. You will see 203 on the building near the front door. Pull into the driveway for #203.
- Once you've parked, walk up the walkway to the front door. Use the lock box combination provided to open the lock box on the wall to the left of the door. Once inside, you'll be able to open the garage door and bring the car inside.

Accessing the Condo, Parking and Ski Storage:

- The key to the front door is inside the lock box, located on the wall, just to the right of the front door. The lock box will have a specific combination assigned to you for your stay. The key opens both front door locks.
- The lock box combination will be sent to you by separate email right before your stay.
- Once inside the condo, there will be an additional set of condo keys on the bench in the entry foyer for your use during your stay.
- Please return the lock box keys to the lock box immediately after entering the condo. If you should inadvertently lock yourself out, you will be able to get back in by using the lock box key. If you did not return the lock box key to the lock box, it may take several hours to get someone out to let you back in. There is only one locksmith in town and sometimes it takes hours, if not days, to get him out. Wireless Internet:

- Slopeside 206 has Comcast high speed wireless internet.
- The Network SSID name is: SS206
- The password for the network: skiallday (all small case, no spaces)
- WiFi Reset Instructions: If the wifi will not connect or is not working properly, please open the top right door of the red cabinet. You will see the Comcast Gateway (modem & router), which is a black device with blue lights on the right side of the top shelf). The first 4 lights (Power, US/DS, Online, WiFi) should all be lit. If not, restart the gateway. To restart the gateway, please unplug the power cable. Wait 10 seconds and then plug back in. Everything should power back up shortly.

Resort Winter Time Shuttle Stops:

- During the winter months, the free resort shuttle is a great way to get to the slopes.
- There are two places to catch the shuttle, which runs a continuous circuit through Old Town and the Resort. The shuttle generally will pass by the shuttle stops about every 15–20 minutes. During peak periods, the shuttle may run a bit slower.
- The closest location to catch the shuttle is in front of the Ski Exchange. There is a sign “The Lift” where the shuttle stops. To get to the Ski Exchange, turn RIGHT when you exit the condo, walk down Clover Lane to Winter Park Drive, maybe 50 yards, then turn RIGHT onto Winter Park Drive and walk another 50 yards to the Ski Exchange.
- The second place to catch the shuttle is at the North Entrance to the resort. Turn right when you leave the condo. Walk past the Ski Exchange, cross over the bridge and continue walking to the North Gate Entrance of the resort. Just on the other side of the North Gate Entrance is a shuttle stop. This is maybe 250 yards farther but every shuttle entering the resort enters through these gates
- ***The shuttle does not currently operate during the summer, except on certain festival weekends.***
- The Shuttle Dispatch number is 970-726-4163. From the landline in the condo, omit the area code and just dial the 7-digit number.
- Great news for shuttle riders! The 2013-2014 Resort Shuttle Route is unchanged from years past. The Slopeside shuttle – known as the Old Town/Green Line will still pick up at the entrance to Slopeside Village at the Ski Exchange Stop. Best of all, it will still drop Old Town riders off at the traffic circle by Balcony House and West Portal Station. The lifts and ticket window as well as ski schools are all right there. No death march from the Cabriolet “Merry-Go-Round” through the village to get to the lifts as all the other shuttle riders must do. The return route from the Village back to Slopeside will vary depending on the specific day of the week. During weekdays, the route is known as the Green Line. On weekends (and some dates during Christmas and Spring Break) it is called the Old Town Route. You will still catch it for the return run back to Slopeside at the traffic circle.

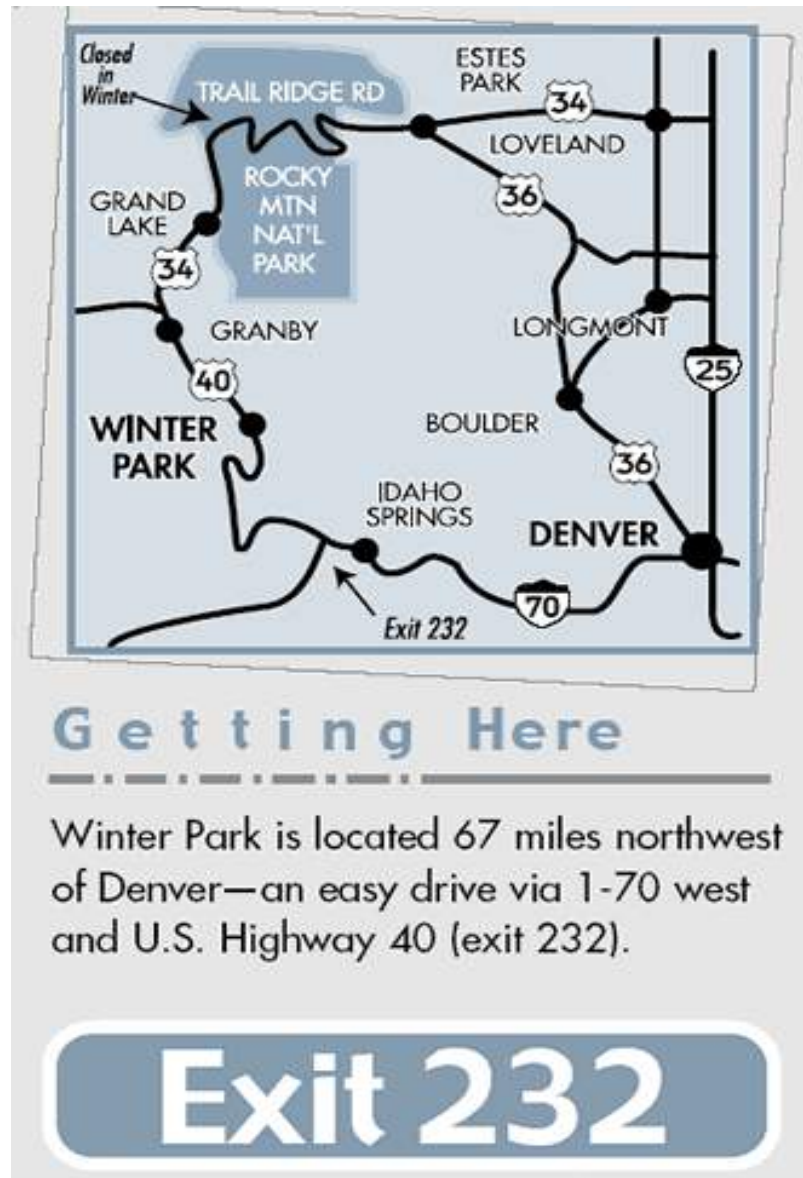

Deck Snow Removal:

- Minor Maintenance is supposed to come by after major snow falls and remove the snow off the condo decks. Sometimes it may take them a couple of days to get to it. They have a key to the condo and will let themselves in. If you notice significant snow accumulation on the balcony deck, please call 1-303-7047291 and let Judi know. There is a snow shovel in the garage that can be used to shovel the deck and walkway. There is an outdoor broom in the garage as well.

Community Hot Tub and Outdoor Fireplace:

- The community hot tub is located in the center of Slopeside Village, just diagonally across from the front door of Slopeside #206 on the upper loop of Clover Lane.
- There is also large outdoor stone fireplace also located on the banks of the stream, near the outdoor hot tub. Pick up a bundle of wood at the grocery store. Sit on any of the large wood stumps that ring the fireplace and bask in the warmth the flames. The kids (young and old alike) will enjoy a nighttime marshmallow roast.

How to Avoid High-Altitude Sickness:

- Take time to acclimate at lower elevations before heading to the high country
- Drink lots of water (dehydration occurs quickly at high elevations).
- Avoid alcohol for the first few days
- Eat foods high in carbohydrates.
- Take it easy the first few days.

If you still encounter symptoms of high altitude sickness, such as headaches, nausea, or dizziness, seek medical attention and go down to lower elevation for several days to acclimate.

Bears and other Wildlife:

Winter Park is home to a variety of wildlife. Moose, bear, elk, deer and fox are occasional visitors in the area. Please treat them with respect and observe them from a distance. A bear was spotted in a nearby neighborhood this past summer. The animal was foraging and carried a bag of trash back into the woods. Please remember to use the "bear bars" on the trash dumpster to discourage our wildlife visitors.

Slopeside Access Code for the Front Door Lock Box.

Your specific Lock Box Code will be e-mailed to you separately a few days before arrival:

The lock box is mounted on the wall, just to the right of the front door.

Punch in the 4-digit push pin tumbler combination, in the sequence provided.

Pull down on the black latch at the top of the faceplate, just above the box that says "open". Pull the faceplate toward you and the lock box should open: the faceplate will come off in your hand. The front door entry key is attached on a clip to the inside of the faceplate. On occasion, you may have to repeat the procedure. The latches do get sticky, especially in cold weather. If the push-pin tumblers don't "click" when you push them in, you may need to pull down on the lower black slide latch, located just above the box that says "clear". This should clear the tumblers and you can then start over by entering your lock box code. You may need to do this once or twice until you get the hang of it.

Once you have the lock box opened, use the key for the front door. Turn the key clockwise 180 degrees to open the front door.

Once inside the condo, please immediately put the faceplate with the key back on the lock box. To close the lock box, use the same sequence. You'll need to re-enter the lock box code, and pull down on the black slide latch above the box with the words "open". If the push pin tumblers don't "click", you'll need to use the "clear" slide latch and begin again. You may have to repeat the clear sequence once or twice before you get the hang of it. Just be sure to pull down firmly on the top slide latch once you've punched in the lock box code. The silver locking mechanism should visibly retract. Once the mechanism has retracted, keep holding down on the black slide latch to keep the locking mechanism retracted. While still holding down on the "open" slide latch, place the bottom of the faceplate in first, then the top. Release the slide latch and the face plate should be securely latched into place

There is a set of condo keys on the bench seat in the entry foyer.

If you forget your keys and get locked out, you can always get the keys from inside the lock box to let yourself back in. Just remember your lock box combination. If you forget to put the keys back in the lock box, there will be a substantial service charge for maintenance to come out and let you back in. There is only one locksmith in town. If a locksmith has to be called, it can take a long while to get him there.

Call the office at 1-303-704-7291 if you have any questions or problems. This phone rings forward to our on-call cell. Please wait a few minutes as we may be on another line or assisting other guests. Please leave a message and we will promptly call you back. If we have not contacted you within 30 minutes, please call Tammy, our housekeeper: Tammy's cell is 970-531-3631. You can also try to reach Matt, our minor maintenance man at 970-531-9568.

BREAKFAST:

Here's the deal with breakfast. All the places are great and you should try eating out at least one morning before skiing and get those carbs stored up. We can't seem to stop going to Rise & Shine Bakery but the other choices below are raved about throughout town as well.

Rise & Shine Bakery Café (970) 726-5530: Small but great breakfast. Formerly Base Camp Bakery. New owner Peter Baldo has resurrected the all the classics, great specials, fresh roasted coffee, and fresh baked pies and muffins that we all loved. This place is usually packed so get there early. Free coffee when you walk in the door on the left – help yourself. You can also get takeout at the counter. We sit at the bar sometimes which helps you get seated faster. Located in WP, far end of town on the right hand side in a Park Place Plaza shopping center with the Conoco station Business hours are 7 am – 2 pm.

The Mountain Rose (970) 726-9940) - A wonderful 'homemade' breakfast, but don't be in a hurry. There are only so many tables and they take their time cooking and serving each breakfast. It is a yellow building midway through town on the left. Well worth it if you have the time.

Carver's Bakery & Cafe (970) 725-8202: We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. New location in downtown Winter Park in the King's Crossing Shopping Center. Serves breakfasts, fresh espresso, amazing cinnamon rolls and superb sandwiches.

COFFEE:

Unlike the rest of the population, we don't drink coffee very much so we aren't the experts here. It does seem that everyone goes to the three spots below (and of course one of those is a Starbuck's!)

Rocky Mountain Roastery (970) 726-4400: A full-service coffee house featuring fresh in-store roasted coffee & espresso drinks, tea, baked goods & ice cream. Located in Fraser in the Murdoch's Shopping Center. Open 7am. Internet Access *FEE.

Starbuck's (970) 722-5400: at the base of Winter Park, on side of Zephyr Mountain Lodge, very nice staff and you know the rest with Starbuck's. They have helped me order since I still forget the difference between a tall and a grande... They also have a location inside the Safeway store in Fraser.

Mountain Grind Coffee & Bistro (970) 726-0999: In the Cooper Creek Square shops. Winter Park's newest Coffee shop and is owner operated, and very friendly. A Full service coffee shop and light bistro dining for breakfast and lunch. Items such as wraps, quiche and sandwiches. Pastries, baked goods & Gelato & Gelato (Italian ice cream) too. Free high speed wireless internet for customers (15 minute limit).

LUNCH:

Rudis Deli (970) 726-8955: We go here 9 times out of 10 when we dine out for lunch. I like the Avocado Turkey Melt. Make sure you ask for the side (potato salad, macaroni salad, or chips) – it's free with the sandwich but sometimes they don't ask and you get nothing. They have breakfast too until around 11am. If there is a line, don't be in a hurry. In the same shopping center as Breeze at Ski Depot on the east side of US Hwy 40 in the middle of Winter Park.

Club Car (970) 726-1442: on the slopes, the best lunch is here at the Mary Jane base area, it was expanded and improved for '05-06. Be sure to save room for dessert—particularly the mud pie. Go early and get great service and some locale advice. One time the bartender gave me one of the coveted Mary Jane 30 stickers.

Lunch Rock – on the mountain at the top of Mary Jane at 11,000 feet: (970) 726-0280. This is my new favorite place to eat while on the mountain. Incredible location with stunning views of the Continental Divide (James Peak, Parsenn Bowl and the Fraser Valley. Gorgeous cathedral style building with stone fireplaces and metal chandeliers. The expansive outdoor deck is a great place to relax and re-group while looking at incredible mountain views. Pricey but does have a “bring your own/serve yourself” eating area. Try the butternut squash soup...worth the \$15!

Pepe Osaka's Fish Taco: (970) 726-7159. Another new favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed Mondays and Tuesdays.

The Ditch on 40: (970) 363-7113. “It's all about the Red & Green”..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

DINNER:

Pepe Osaka's Fish Taco: (970) 726-7159. Our favorite! Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food.. The friendly and gracious owner, Nanda, is usually on premises and makes everyone feel welcome. Tonight I had the grilled teriyaki chicken taco and it was delicious (please note it is not listed on the menu...you have to ask for it). Loved the guacamole. I will be back soon...again and again. Dates of closure change seasonally so it is a good idea to call ahead.

Azteca: (970)-726-4145: Located in Fraser (at the stop light across from Safeway) and a new location in Winter park coming soon. All food is made from scratch and is fresh daily. Good food, best margaritas in Grand County and great service. Very good Mexican food at a great price. The chips and cabbage salsa are awesome. Try the chicken chimichongas.

Hernando's Pizza & Pub: (970) 726-5409: We go here more than any other restaurant in Winter Park, great place for families; casual; inexpensive; central fireplace, recommended by locals, often crowded because it has great pizza and salads. There are over \$20K of dollar bills on the walls. My dad likes it because they have a whole wheat crust option. I like it because they have a big salad that's yummy. My husband likes it because they have honey on each table to put on your pizza crust. Located in WP, far end of town, right hand side (next to Fontenot's).
<http://www.hernandospizzapub.com>

The Smokehouse BBQ: (970) 722-0227: Good Texas BBQ. Love the burnt ends, rubs and hot links. 5 homemade sauces, each one unique. We like them all. My favorite is Bucky's...my hubby likes the Hickory. Located on the west side of Hwy 40...look for the big sign with the pig on skis.

The Ditch on 40: (970) 363-7113. "It's all about the Red & Green"..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

The Ranch at Devil's Thumb and Heck's Tavern (800) 933-4339: This has become one of our favorite restaurants in the area because the drive out there, the views (make sure you arrive before sunset to see the magnificent landscape), and the food and ambience are the best around. You can eat in the fancier dining room (still can wear jeans and a sweater) or in the bar area where they frequently have live guitar music/singing. Try the prime rib special on the weekends. To get there, go past Fraser and turn right at County Road #83 (there will be a brown sign that says "Devil's Thumb Ranch").
<http://www.devilsthumbbranch.com>

Deno's Mountain Bistro: (970) 726-5332: Great bar atmosphere with TV's. The dining rooms are 'white tablecloth dining' and the food is very good, especially the steaks. The Greek salad is great too. On the right about a block after you enter town. Favorite place to sit is in the little alcove right in front of the fireplace.

Fontenot's Cajun Cafe (970) 726-4021: They have fresh fish dishes prepared New Orleans style. On the left (west) side of Hwy 40 in Winter Park as you are leaving towards Fraser.

Doc's Roadhouse (970) 726-5587: At the base of Winter Park Resort in Zephyr Mountain Lodge. Great place to go after skiing and the food is quite good. Service is usually very friendly as well. Great place to watch a game and hang out for a few beers. Sample exotic appetizers and homestyle meals including Doc's Blue Plate Special. Doc's Roadhouse is open daily serving lunch & dinner.

Vertical (in the Village at Winter Park) (970) 393-7053: is an American style Bistro & Tap Room.

The Lodge at Sunspot (970) 726-1446: Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. Evening dining: take the new Zephyr Express gondola cabins available Thursday through Saturday, December through March. Reservations are required for dinner!

Winter Park Sushi Bar (970) 726-0447: Sounds bizarre in a mountain town, but this place has excellent sushi and is a favorite of locals. Enjoy over 30 different sushi rolls, or if someone doesn't want to try raw fish in a ski town, they can have steak which is good as well. Located on the right side of town as you approach from the resort.

Star of India: (970)-726-5991: Winter Park's newest restaurant, the Star of India opened in February 2009. Located in Cooper Creek Square The restaurant offers an all-you-can-eat lunch buffet option for just \$8.95, or order off their extensive menu for lunch and dinner. Bar service includes four Indian wines, half a dozen Indian beers, and Indian-style martinis and cosmos.

Lime (in the Village at Winter Park) (970) 726-5463: is an American Cantina specializing in fresh Mexican food and mighty margaritas. The menu features some novel takes on traditional Mexican food including the traditional Japanese edamame spiced with dipping sauce; chile rellenos and sweet corn tamales. As for dessert, the key lime pie strikes exactly the right note of tangy sweetness.

Tabernash Tavern (970) 726-4430: Just opened in summer 2008 and already a town favorite. Offering fresh homemade foods, including pastas, steaks, seafood dishes, salads and Chef specialties from around the globe. Call ahead for reservations. This place books up early!

In Grand Lake (30-40 minute drive, but well worth it!):

Rapids Restaurant (970) 627-3707: fancy, on the river, far end of town

Grand Lake Lodge (970-627-9495): summertime only; on the edge of Rocky Mountain National Park; incredible views, great food; loved the s'mores in a mason jar dessert, pricey.

NIGHTLIFE AND LIVE MUSIC

Winter Park Pub (970) 726-4929: downtown on Hwy. 40, which offers traditional pub fare, 15 beers on tap, and "Mystery Beer Night." There are a lot of 20-somethings here but no longer smoke-filled because of the new state law banning smoking in Colorado restaurants and bars. MAKE SURE YOU CALL A CAB (or take the free shuttle if it's still running) if you've been drinking. They are strict in Winter Park and that's the last thing you want during your vacation. Call Valley Taxi - (970) 726-4690.

Randi's Irish Saloon (970) 726-1172: in downtown Winter Park is a good family restaurant with plenty of traditional pub food served at lunch and dinner. It's also a good place to watch the game. We prefer the Chargers but they let you root for whomever you want and have banners for all teams up on the walls.

Down Under Bar & Grill (970) 726-0094: Open Mic Night, Ladies Night, Large bar area.

Smokin' Moe's (970) 726-4600: Smokin' when it comes to live music! Check the Winter Park Chamber calendar of events for live blues music. <http://www.winterparkinfo.com/events/index.aspx>
