**How to Avoid High-Altitude Sickness:**

- Take time to acclimate at lower elevations before heading to the high country
- Drink lots of water (dehydration occurs quickly at high elevations).
- Avoid alcohol for the first few days
- Eat foods high in carbohydrates.
- Take it easy the first few days.

**If you still encounter symptoms of high altitude sickness, such as headaches, nausea, or dizziness, seek medical attention and go down to lower elevation for several days to acclimate.**

**Bears and other Wildlife:**

**Winter Park is home to a variety of wildlife. Moose, bear, elk, deer and fox are occasional visitors in the area. Please treat them with respect and observe them from a distance.**

**A bear was spotted in a nearby neighborhood this past summer. The animal was foraging and carried a bag of trash/food back into the woods. Please remember to use the "bear bars" on the trash dumpster to discourage our wildlife visitors.**

## **RED QUILL #105: USING THE FRONT DOOR LOCK BOX**

Your specific Lock Box Code will be e-mailed to you separately a few days before arrival:

The lock box is secured to the metal railing on the front porch, just behind the left stone pillar. Punch in the 4 digit push pin tumbler combination, in the sequence provided.

Pull down on the black latch at the top of the faceplate, just above the box that says “open”. Pull the faceplate toward you and the lock box should open: the faceplate will come off in your hand. The front door entry key is attached on a clip to the inside of the faceplate. On occasion, you may have to repeat the procedure. The latches do get sticky, especially in cold weather. If the push-pin tumblers don’t “click” when you push them in, you may need to pull down on the lower black slide latch, located just above the box that says “clear”. This should clear the tumblers and you can then start over by entering your lock box code. You may need to do this once or twice until you get the hang of it.

Once you have the lock box opened, use the key for the front door. Turn the key clockwise 180 degrees to open the front door.

Once inside the condo, please immediately put the key back in the lock box and lock the lock box. To close the lock box, use the same sequence. You’ll need to re-enter the lock box code, and pull down on the black slide latch above the box with the words “open”. If the push pin tumblers don’t “click”, you’ll need to use the “clear” slide latch and begin again. You may have to repeat the clear sequence once or twice before you get the hang of it. Just be sure to pull down firmly on the top slide latch once you’ve punched in the lock box code. The silver locking mechanism should visibly retract. Once the mechanism has retracted, keep holding down on the black slide latch to keep the locking mechanism retracted. While still holding down on the “open” slide latch, place the bottom of the faceplate in first, then the top. Release the slide latch and the face plate should be securely latched into place

**KEYS:** There are 2 sets of house keys on the bench seat in the entry foyer for your use during your stay.

If you forget your keys and get locked out, you can always get the keys from inside the lock box to let yourself back in. Just remember your lock box combination. If you forget to put the keys back in the lock box, there will be a substantial service charge for maintenance to come out and let you back in. There is only one locksmith in town and he is not readily available and is often out of town for extended periods of time. If a locksmith has to be called, it can take a while (maybe days) to get him there.

**Call the office number: 303-704-7291** if you have any questions or problems. If no answer, please call our **After Hours cell: 970-685-7649**. If no answer, please leave a message and we will return the call shortly. If no response within 30 minutes, please call our **Matt at 970-531-9658**

**Wireless Network WEP Password: 3037047291**

### **LIVING ROOM TV: Comcast Remote**

The Living Room TV is controlled by the Comcast Remote.

Press the red “All On” button located near the top center of the remote to turn on both the Comcast Box and the TV.

Press the red “All On” button again to turn off both the Comcast Box and the TV.

Use the channel and volume keys on the Comcast remote to change channels or volume.

**HIDDEN SLEEPING OPTIONS:** There is a sofa sleeper in the living room and a futon in the breakfast room. Linens are not provided unless you have indicated on the reservation form that you will need one or both of these options. Your lodging rate is tailored to the stated number of people staying in the unit. Additional persons other than those declared on the rental agreement will result in additional fees.

### **WASHER & DRYER:**

For your convenience there is a full size washer & dryer condo sized washer and dryer in the laundry area. This is located on the upper level, just outside the Master Bedrooms. Please be sure to empty the lint tray in the dryer between each load. You may need to provide laundry supplies.

**GAS GRILL:** A gas grill on the main level back deck has been supplied for your outdoor cooking enjoyment. Please remember to clean the grates while the grill is still warm and to turn off the gas when cooking is complete. We would appreciate notification that the gas is low or has run out during your stay. If you need a propane canister, you can purchase one at Ace Hardware or Alco in Fraser. Send us the receipt and we will reimburse you.

**THERMOSTAT:** Feel free to adjust the thermostat on the wall between the kitchen and the powder room as needed. Red Quill has in-floor radiant heat. Temperatures are more constant but adjust more slowly than gas forced air. To warm up the property quickly, turn on the gas fireplace.

**HOUSEKEEPING:** If you need additional cleaning or laundry service during your stay, please contact oputr office at 303-704-7291. It can be provided at an additional fee.

**SUPPLIES:** You have been given a standard amount of consumable supplies, such as toilet paper, paper towels, dishwasher & laundry detergent, to get you started. If you run out, you will need to purchase more at the grocery store to get you through your stay.

**GAMES:** Please enjoy any games or books located throughout the home. Please replace all pieces and store them where you found them so the next guests can enjoy.

### **SKIS, BOARDS, POLES, BOOTS, SNOWSHOES, BIKES & OTHER OUTDOOR RECREATION EQUIPMENT:**

You may store your outdoor recreational equipment in the garage. Do not bring your recreational gear into the townhome.

**TRASH DISPOSAL:** Remove all garbage and trash from the premises and dispose of in the Red Quill dumpster prior to departure. Do not leave trash or garbage in the garage or outside. The Red Quill dumpster is located on the mid-point of Red Quill Dr. To get there: exit the townhome, turn right, go to Red Quill Drive and turn left. About 50 yards down on the right will be the dumpster enclosure.

**COFFEE POT:** Please unplug the coffee pot after use.

**DECK & PATIO SNOW REMOVAL** Minor Maintenance is supposed to come by after major snow falls and remove the snow off the townhome decks. Sometimes it may take them a couple of days to get to it. They have a key to the condo and will let themselves in.

**SKI SHUTTLE / RESORT PARKING:**

Each ski season we discover new ways to get to and from the ski area. Here are some suggestions:

- 1) There is a free ski shuttle bus that runs from downtown winter park to the ski resort. The closest shuttle stop to Red Quill is by the Post Office, almost directly across Hwy 40 from Rosie's Way, the road you turned onto to get to Red Quill Village.
- 2) If driving to the Ski Resort, Base drop-off (30-minute free parking at Winter Park) is also available. While drop off on the Winter Park side still has a short walk to the base area, you can drop off right at the lifts at Mary Jane though it is a longer drive to the Mary Jane base than to the Winter Park Base. No 3-minute parking limits at Mary Jane. Just park anywhere you find an open spot!
- 3) We find it convenient to park in the Vintage Hotel parking lot (*free*) and take the Cabriolet lift down to the base area.
- 4) Another option is to turn right on Old Town Drive (stop light by Lakota), head down the hill and take an almost immediate left into the North Bench parking lot or go a bit farther and park in the Lone Tree lot.

### **PRIVATE HOT TUB USE & INFO:**

Use the hot tub at your own risk. Neither Access Winter Park nor the property owners are responsible for any injury or illness related to the use or malfunction of the hot tub or failure to comply with safety precautions. You will be held responsible for any damage caused by misuse or failure to follow the hot tub instructions provided. The area around the hot tub will likely be icy. Be Careful!

### **VERY IMPORTANT:**

*Please check the water level in the hot tub when you arrive. If the water level appears, low, please call Access Winter Park (1-303-704-7291 or 970-685-7649). If you are using the hot tub and a significant amount of water gets displaced, the pumps may shut off. They are designed to shut off if the water level gets low. Please call us immediately if this happens. Water will need to be added. In the winter, the pumps and pipes will freeze if the hot tub is not running. Please replace the hot tub cover when not in use. If the cover is left off, the heater can not keep up, the pumps will shut off and the pipes will freeze*

### **HOT TUB USE:**

- ❖ The hot tub has been set to 101 degrees. If it has been recently filled with water, it may not be completely up to the set soaking temperature for a few more hours, or even the next day.
- ❖ Do not randomly press buttons on the control panel. You may press the “Jets” button and the “Temperatur button but DO NOT PRESS THEM SIMULTANEOUSLY
- ❖ DO NOT PRESS THE MODE BUTTON
- ❖ Be careful with the hot tub cover. It is more delicate than it looks and are very wxpensive to replace. Pick it up by the handles, not by the straps.
- ❖ Make sure the hot tub cover and the locking strap are in place and locked when not in use.
- ❖ Clean the cover off with a broom...never a shovel.
- ❖ To help the water stay clear during your stay, put one-half capful of oxidizer shock at the end of a day’s use. Run the jets for a little while (15-30) minutes after you put in the shock. The container of shock is in the garage. DO NOT get in the hot tub for at least 8 hours after the shock has been added.
- ❖ No food or glass containers are allowed in the hot tub area
- ❖ If you have questions or problems with the hot tub, call us immediately...303-704-7291 or 970-685-7649

### **PRIVATE HOT TUB SAFETY:**

- ❖ The Do not use the hot tub after strenuous exercise.
- ❖ If your hair is long, put it up in a ponytail or bun to avoid getting it caught in the filter or drain
- ❖ Make sure the hot tub is at the appropriate temperature, taking into consideration the people who will be using it. For adults, the temperature should be below 104 degrees. For children, the temperature should be less.
- ❖ Person suffering from obesity or with a history of heart disease, high or low blood pressure, circulatory problems or diabetes should consult a physician before using the tub. This is not an all-inclusive list. If you

have any doubt, consult with your physician.

- ❖ Persons with any infectious disease or skin conditions should not use the hot tub.
- ❖ Persons using any medications should consult with their physician before using a hot tub as some medications can cause a user to become drowsy, while other meds may affect heart rate, blood pressure and circulation.
- ❖ Persons taking medications that induce drowsiness, such as tranquilizers, antihistamines or anticoagulants should not use the tub.
- ❖ It is best to never allow children under the age of 12 to use a hot tub due to the many risks of hot tub usage, including drowning, bacterial infection and brain damage that can be caused the high temperatures.
- ❖ NEVER leave children unattended in a hot tub, and always consult your physician before allowing your children in a hot tub.
- ❖ Children should not be in a hot tub if it is warmer than bathwater...about 90 degrees.
- ❖ Avoid drinking or using drugs in the hot tub. The hot water will amplify and speed up the effects of any alcohol or many drugs. Alcohol makes a user drowsy and falling asleep in hot water can be very dangerous. In addition to the risk of drowning, your body can not regulate its temperature as well when you are asleep, which can lead to dangerous overheating.
- ❖ Avoid using the hot tub when overly tired. Have an alert person join you. Do not hot tub alone.
- ❖ Never use electrical devices (including phones, radios, TV's or other corded devices) in or near the hot tub. If you must have one nearby, use a battery powered device and place it on a table a safe distance away from the water.
- ❖ Always shower with soap and water BEFORE & AFTER using a hot tub. Showering before will prevent lotions and skin oils from plugging up the filter and help prevent bacteria from entering the water. Showering after you use the hot tub will help remove any chemicals or bacteria that linger on your skin, helping to prevent rashes and infections..
- ❖ Be cautious when entering and exiting the hot tub, especially in the winter. If the temperature outside the tub is below freezing, water splashed over the edge can quickly freeze into slippery ice.
- ❖ Pregnant women should not use the hot tub without consulting their physician. The temperature is too hot for the fetus. Soak only your legs and feet, never the stomach/abdomen or check with your doctor.
- ❖ As with swimming pools, immediately exit and seek shelter if you see lightning or during any other kind of threatening weather.
- ❖ THE EMERGENCY PUMP SHUT-OFF is by the door. Please locate it before using the hot tub so you know where it is in case of an emergency.

**PRIVATE HOT TUB SCHEDULED MAINTENANCE:** Matt at Elevated Expectations provides our hot tub service twice a week and after each guest stay. The hot tub may be scheduled for routine chemical analysis and maintenance during your stay. Matt knows the current lock box code and will let himself in. If your stay is short, 1 or 2 nights, and you prefer that he not come during your stay, just let us know and we will reschedule his preventative maintenance visit if possible. If your stay is longer than 2 nights, Matt may need to stop by and check the tub.

**PRIVATE HOT TUB COVER SNOW REMOVAL:** Matt will remove the snow from the hot tub cover when he does the hot tub checks and maintenance. If it should snow significantly between his checks, you will need to remove the snow before trying to lift up the hot tub cover. **DO NOT USE THE SHOVEL ON THE HOT TUB COVER** . The shovel will damage the cover, which will then leak and get very heavy and then have to be replaced. There is a broom located in the hallway closet used to remove snow from the hot tub cover. Do not let your children play on the hot tub cover. It is not designed to support their weight and they could possibly fall off if they climb on top of the cover. If you damage the cover, you will be billed for the replacement.

**HOT TUB LOCK COMBINATION:** ( **CURRENT CODE is 2468** )

**The private hot tub at Red Quill 105 has a locking strap and lock.**

**The code for the lock will be also provided in the same email as the lock box access code.**

**Please keep the strap in place and the lock locked when the tub is not in use.**

## RESTAURANTS

**There are several restaurants in Winter Park – some much better than others. Here are our recommendations ☺**

### BREAKFAST:

**Here's the deal with breakfast. All the places are great and you should try eating out at least one morning before skiing and get those carbs stored up. We can't seem to stop going to Base Camp Bakery but the other choices below are raved about throughout town as well.**

**Rise & Shine Bakery Café (970) 726-5530:** Small but great breakfast. Formerly Base Camp Bakery. New owner Peter Baldo has resurrected the all the classics, great specials, fresh roasted coffee, and fresh baked pies and muffins that we all loved. This place is usually packed so get there early. Free coffee when you walk in the door on the left – help yourself. You can also get takeout at the counter. We sit at the bar sometimes which helps you get seated faster. Located in WP, far end of town on the right hand side in a Park Place Plaza shopping center with the Conoco station. Business hours are 7 am – 2 pm.

**The Mountain Rose (used to be The Kitchen) (970) 726-9940) -** A wonderful 'homemade' breakfast, but don't be in a hurry. There are only so many tables and they take their time cooking and serving each breakfast. It is a yellow building midway through town on the left. Well worth it if you have the time.

**Carver's Bakery & Cafe (970) 725-8202:** We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. New location in downtown Winter Park in the King's Crossing Shopping Center. Serves breakfasts, fresh espresso, amazing cinnamon rolls and superb sandwiches.

### COFFEE:

**Unlike the rest of the population, we don't drink coffee very much so we aren't the experts here. It does seem that everyone goes to the three spots below (and of course one of those is a Starbuck's!)**

**Rocky Mountain Roastery (970) 726-4400:** A full-service coffee house featuring fresh instore roasted coffee & espresso drinks, tea, baked goods & ice cream. Located in Fraser in the Alco Shopping Center. Open 7am. Internet Access \*FEE.

**Starbuck's (970) 722-5400:** at the base of Winter Park, on side of Zephyr Mountain Lodge, very nice staff and you know the rest with Starbuck's. They have helped me order since I still forget the difference between a tall and a grande... They also have a location inside the Safeway store in Fraser.

**Mountain Grind Coffee & Bistro (970) 726-0999:** In the Cooper Creek Square shops. Winter Park's newest Coffee shop and is owner operated, and very friendly. A Full service coffee shop and light bistro dining for breakfast and lunch. Items such as wraps, quiche and sandwiches. Pastries, baked goods & Gelato & Gelato (Italian ice cream) too. Free high speed wireless internet for customers

(15 minute limit).

### **LUNCH:**

**Rudis Deli** (970) 726-8955: We go here 9 times out of 10 when we dine out for lunch. I like the Avocado Turkey Melt. Make sure you ask for the side (potato salad, macaroni salad, or chips) – it's free with the sandwich but sometimes they don't ask and you get nothing. They have breakfast too until around 11am. If there is a line, don't be in a hurry. In the same shopping center as Rocky Mountain Roastery on the west side in the middle of Winter Park.

**Club Car** (970) 726-1442: on the slopes, the best lunch is here at the Mary Jane base area, it was expanded and improved for '05-06. Be sure to save room for dessert—particularly the mud pie. Go early and get great service and some locale advice. One time the bartender gave me one of the coveted Mary Jane 30 stickers.

**The New Mirasol Southwestern Cantina:** (970) 726-0280. This is my new favorite. Fresh and healthy offerings. Personal favorite is the Mountain Salad, with fresh organix mixed greens, berries and quinoa. Lots of different tacos. The diners at the neighboring table said the fish tacos were the best they've ever had...anywhere. Good food at a very reasonable price. Located in Winter Park Place Plaza, by the Conoco Station and Rise-n-Shine Bakery.

**Pepe Osaka's Fish Taco:** (970) 726-7159. Another new favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed Mondays and Tuesdays.

**The Ditch on 40:** (970) 363-7113. "It's all about the Red & Green"..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

## DINNER:

**Azteca:** (970)-726-4145: Located in Fraser (at the stop light across from Safeway) and a new location in Winter park coming soon. All food is made from scratch and is fresh daily. Good food, best margaritas in Grand County and great service. Very good Mexican food at a great price. The chips and cabbage salsa are awesome. Try the chicken chimichongas.

**Hernando's Pizza & Pub** (970) 726-5409: We go here more than any other restaurant in Winter Park, great place for families; casual; inexpensive; central fireplace, recommended by locals, often crowded because it has great pizza and salads. There are over \$20K of dollar bills on the walls. My dad likes it because they have a whole wheat crust option. I like it because they have a big salad that's yummy. My husband likes it because they have honey on each table to put on your pizza crust. Located in WP, far end of town, right hand side (next to Fontenot's).

**The New Mirasol Southwestern Cantina:** (970) 726-0280. This is my new favorite. Fresh and healthy offerings. Personal favorite is the Mountain Salad, with fresh organix mixed greens, berries and quinoa. Lots of different tacos. The diners at the neighboring table said the fish tacos were the best they've ever had...anywhere. Good food at a very reasonable price. Located in Winter Park Place Plaza, by the Conoco Station and Rise-n-Shine Bakery.

**The Ranch at Devil's Thumb and Heck's Tavern** (800) 933-4339: This has become one of our favorite restaurants in the area because the drive out there, the views (make sure you arrive before sunset to see the magnificent landscape), and the food and ambience are the best around. You can eat in the fancier dining room (still can wear jeans and a sweater) or in the bar area where they frequently have live guitar music/singing. Try the prime rib special on the weekends. To get there, go past Fraser and turn right at County Road #83 (there will be a brown sign that says "Devil's Thumb Ranch"). <http://www.devilsthumbbranch.com>

**Deno's Mountain Bistro:** (970) 726-5332: Great bar atmosphere with TV's. The dining rooms are 'white tablecloth dining' and the food is very good, especially the steaks. The Greek salad is great too. On the right about a block after you enter town. Favorite place to sit is in the little alcove right in front of the fireplace.

**Lime (in the Village at Winter Park)** (970) 726-5463: is an American Cantina specializing in fresh Mexican food and mighty margaritas. The menu features some novel takes on traditional Mexican food including the traditional

Japanese edamame spiced with dipping sauce; chile rellenos and sweet corn tamales. As for dessert, the key lime pie strikes exactly the right note of tangy sweetness.

**Fontenot's Cajun Cafe** (970) 726-4021: They have fresh fish dishes prepared New Orleans style.

**Doc's Roadhouse** (970) 726-5587: At the base of Winter Park Resort in Zephyr Mountain Lodge. Great place to go after skiing and the food is quite good. Service is usually very friendly as well. Great place to watch a game and hang out for a few beers. Sample exotic appetizers and homestyle meals including Doc's Blue Plate Special. Doc's Roadhouse is open daily serving lunch & dinner.

**The Lodge at Sunspot** (970) 726-1446: Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. Evening dining: take the new Zephyr Express gondola cabins available Thursday through Saturday, December through March. Reservations are required for dinner!

**Winter Park Sushi Bar** (970) 726-0447: Sounds bizarre in a mountain town, but this place has excellent sushi and is a favorite of locals. Enjoy over 30 different sushi rolls, or if someone doesn't want to try raw fish in a ski town, they can have steak which is good as well. Located on the right side of town as you approach from the resort.

**Star of India:** (970)-726-5991: Winter Park's newest restaurant, the Star of India opened in February 2009. Located in Cooper Creek Square The restaurant offers an all-you-can-eat lunch buffet option for just \$8.95, or order off their extensive menu for lunch and dinner. Bar service includes four Indian wines, half a dozen Indian beers, and Indian-style martinis and cosmos.

**Lime (in the Village at Winter Park)** (970) 726-5463: is an American Cantina specializing in fresh Mexican food and mighty margaritas. The menu features some novel takes on traditional Mexican food including the traditional Japanese edamame spiced with dipping sauce; chile rellenos and sweet corn tamales. As for dessert, the key lime pie strikes exactly the right note of tangy sweetness.

**Cheeky Monk Belgian Beer Café (in the Village at Winter Park)** (970) 726-6871 is old world atmosphere with a modern twist. Featuring the world's finest beers paired with spectacular food, Cheeky Monk serves only Belgian beers on draught and many more in the bottle. Guests can pair a fine beer with Belgian/American cuisine such as Moules Frites, a warm bowl of Waterzooi or a Liege style sugar waffle while socializing in a comfortable bistro style setting reminiscent of 19th century Belgium.

**The Lodge at Sunspot** (970) 726-1446 - Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. **Pearl Dragon** (970) 887-1777: Granby. Great food. We especially like the Lemon Chicken and the Mongolian Beef but it is all good. The owner, Lin, is super attentive and very friendly. Way better than any Chinese restaurant we've tried in Denver. Eat in or take out, they serve a great meal.

***In Grand Lake (30-40 minute drive, but well worth it!):***

**Rapids Restaurant** (970) 627-3707: fancy, on the river, far end of town

**Grand Lake Lodge (970-627-9495):** summertime only; on the edge of Rocky Mountain National Park; incredible views, great food; pricey.

## **NIGHTLIFE AND LIVE MUSIC:**

**The Foundry:** (970) 363-7161. Winter Park's only movie theater and bowling alley. Offering 2 theaters, 8 lanes of bowling, and billiards. Relax in the comfy couches and order some wood-fired pizza and cocktails. Check out what's playing at the movies: <http://foundry-wp.com/movies/>

**Winter Park Pub** (970) 726-4929: downtown on Hwy. 40, which offers traditional pub fare, 15 beers on tap, and "Mystery Beer Night." There are a lot of 20-somethings here but no longer smoke-filled because of the new state law banning smoking in Colorado restaurants and bars. MAKE SURE YOU CALL A CAB (or take the free shuttle if it's still running) if you've been drinking. They are strict in Winter Park and that's the last thing you want during your vacation. Call Valley Taxi - (970) 726-4690.

**Randi's Irish Saloon** (970) 726-1172: in downtown Winter Park is a good family restaurant with plenty of traditional pub food served at lunch and dinner. It's also a good place to watch the game. We prefer the Chargers but they let you root for whomever you want and have banners for all teams up on the walls.

**Down Under Bar & Grill** (970) 726-0094: Open Mic Night, Ladies Night, Large bar area.

**Smokin' Moe's** (970) 726-4600: Smokin' when it comes to live music! Check the Winter Park Chamber calendar of events for live blues music. <http://www.winterparkinfo.com/events/index.aspx>
