**Directions:**

- From Denver- Take 1-70 West from the Denver airport, take exit 232/Hwy 40 (about 10 minutes past Idaho Springs) and follow Hwy 40 North up and over Berthoud Pass and down, heading north toward Winter Park.
- Stay on Hwy 40, go past the entrances to the Mary Jane ski area.
- The first stop light will be the main entrance to the Winter Park ski area. Keep going north. You will travel approx 2 miles past the main entrance to Winter Park Resort to the town of Winter Park (called "downtown Winter Park")
- Will pass the 2<sup>nd</sup> stop light, which is the entrance for Old Town on the right (west) side and Lakota on the right (east) of Hwy 40.
- Just before you get to the 3<sup>rd</sup> stop light you will see the Crestview Condominium complex on your left (west). Go past Crestview and turn at the next stop light.
- TURN LEFT onto Vasquez Road at the 3<sup>rd</sup> stop light (Vasquez Road stop light) is the intersection of Hwy 40 and Vasquez Road and is the 1<sup>st</sup> stop light in the town of Winter Park. You are now in the town of Winter Park.
- Then an almost immediate LEFT again, and into the parking area behind Winter Park Station. You will see the entrance to the garage, next to the sign for the dry cleaners. This is a LOW entrance garage so some Hummers or other high clearance vehicles with ski racks or car top luggage carriers will not fit.
- Park anywhere you can find a space. Parking is first-come, first-served, space available. Uncovered parking is available in the out side lot to the left of the building. Additional free covered parking is also available in the parking garage, just on the other side of Vasquez Road by Cooper Creek Square Shopping Center.
- Elevators are at the back wall of the garage. There are luggage trolleys located in the elevator lobby to help haul your gear up to your room – please return them to the parking area lobby when you are finished with them. You will also see the garbage dumpster near the elevators here.
- Take the elevators to the 6<sup>th</sup> floor.

- Upon exiting the elevators, head down the hall, passing a row of ski lockers before reaching the door for Unit 604.
- Use the lock box code provided to open the lock box and retrieve the key.

**Accessing the Condo, Parking and Ski Storage:**

- **Parking:** You may park up to 2 vehicles in the underground parking garage. Parking is available on a first-come, first-served basis. There is no reserved parking. There is additional parking in the outside lots, just to the west of the garage. There is also free covered parking in the Parking Garage for Cooper Creek Square. The entrance to the Cooper Creek Parking Garage is only about 50 yards down on Vasquez Road.
- **Entry Doors:** The entry doors to the condo building at the garage and street level automatically lock at 5:00 pm for security – so be sure you always have your condo key when you leave the building. Your condo key provides access to the building, 604 condo, 604 ski locker, 2<sup>nd</sup> floor hot tub, 5<sup>th</sup> floor laundry room and 2<sup>nd</sup> & 3<sup>rd</sup> floor building entrances.
- Once you arrive at the condo door, use your access code to unlock the lock box and retrieve the front door key. Use the lock box key to unlock the front door. Once inside there will be a key on the boot bench for you to use during your stay. Please return the lock box key to the lock box immediately after opening the door. The lock box key is used by emergency services, housekeeping and maintenance and must remain in the lock box at all times.
- Please be aware that the front door deadbolt will automatically lock every time it closes (be sure to pull it snug) so be sure to keep your key with you and leave the lock box key in the lock box whenever you leave the premises. To help, there is a weighted “squirrel” door-stop you can place to hold the door open while you unload your luggage into the condo. The owner’s poor squirrel has new ears as he has been hit by the door so many times. Thank you for taking care of Mr. Squirrel; his winters are tough.
- When leaving the condo, please check that the front door is tightly closed and locked.
- **SKI LOCKER:** Your ski locker, # 604 is located in the hallway just off the elevator when you reach the 6<sup>th</sup> floor.. Your condo key also works with this locker. Please store as many skies, poles and boards in the locker as possible. Please store all of your ski boots and excess gear in the entrance or lower room bedrooms. Ski boots tear up the carpet up/down the stairs and living areas. DO NOT BRING SKIS, BOARDS AND POLES INSIDE THE UPPER LEVEL OF THE CONDO.

#### **How to Avoid High-Altitude Sickness:**

- Take time to acclimate at lower elevations before heading to the high country
- Drink lots of water (dehydration occurs quickly at high elevations).
- Avoid alcohol for the first few days
- Eat foods high in carbohydrates.
- Take it easy the first few days.

***If you encounter symptoms of high altitude sickness, such as headaches, nausea, or dizziness, seek immediate medical attention.***

**BEARS & OTHER WILDLIFE:** Winter Park is home to a variety of wildlife. Moose, bear, elk, deer and fox are among the occasional visitors in the area. Please treat them with respect and observe them from a distance. A bear was spotted in a nearby neighborhood this past summer. The animal was foraging and carried a bag of trash back into the woods. Please remember to close the dumpster and dumpster enclosure, and if present, use the “bear bars” on trash dumpsters, to help discourage our wildlife visitors.

**DECK SNOW REMOVAL:** Minor Maintenance is supposed to come by after major snow falls to remove the snow off the condo decks. Sometimes it may take them a couple of days to get to it. If you notice significant snow accumulation on the balcony deck, please call 1-303-704-7291 so that we may make arrangements to send maintenance over to clear the deck.

**HOT TUB:** Crestview Condos has hot tubs located on the **second floor**. Please remember to take your condo key to get into the hot tub room. **Please do remove the towels from the condo. There are towels provided at the tubs for your use.**

**INTERNET:** Divide View has high speed wireless internet. You will need the following information to access the internet.

- **Network Name:** crestview by resort internet      **Security Key/Password:** winterpark

**HEATING:** The heaters may not have been turned on prior to your arrival. If not, there are thermostats controlling specific areas in every room. Turn them up to the “comfort zone” level and you will find the unit heats quickly. Please turn the heater down prior to leaving for the day, otherwise you may find it overly hot when you return. Upon departure, kindly turn down the thermostats to 55 degrees in the winter.

**A/C:** As is the case with most mountain properties, Divide View there is no A/C. In the mountains, we rely on “Rocky Mountain Air Conditioning”. Open the windows and let evening breezes cool things down. Even in the summer time our nighttime temps can drop into the 40’s or 50’s.

**JACUZZI TUB:** The main bedroom has a jacuzzi tub in the bathroom. The control switch for the jacuzzi pump is behind the bathroom door. Please be sure the **water level is over the jet-air nozzles prior to turning on the pump.** **\*Limitation:** If you fill the tub, most of the hot water heater will be all used up for a few hours, so just plan ahead.

**LAUNDRY:** Complete laundry facilities, including vended detergents and other items are located on the 5<sup>th</sup> floor straight off the elevator

**PHONE:** The phones are all yours for local calls. To make a long distance call you will need to dial M1 on the main base phone. This will link you up with the long distance service so you can use to your credit card to make any long distance calls.

**HOUSEKEEPING:** Our property housekeeper is Tammy Bailey, owner of Bailey Cleaning Service. Tammy lives locally and if you need something she should be able to help you out quickly. **Tammy can be reached at her local number (970) 531-3631**

**MAINTENANCE:** Call Access Winter Park at 303-704-7291 for all maintenance concerns or questions. If we can not be reached, you can call Deb: 719-360-7320. She's super nice and knows Crestview 604 better than anyone.

**EMERGENCY PROPERTY MANAGEMENT COMPANY:** For immediate assistance with an EMERGENCY maintenance problem, please call Access Winter Park at 303-704-7291. If we cannot be reached quickly, call CMC, the Emergency Maintenance Management Company for the Crestview Condominium complex. CMC Tel: (970) 887-0643.

### **TRANSPORTATION IN WINTER PARK**

1. **Shuttle Bus service:** The ski shuttle bus service to the ski resort and throughout the valley is excellent throughout the day. Buses do run until midnight, but service is limited after 6PM. Call Shuttle Dispatch Office for questions on routes and times.

2. **Getting to the slopes:** We highly recommend taking the bus to get to resort. The short walk to the bus stop, your wait is never more than 20 minutes, loading skis; a quick two mile drive and then a short walk to the base lift make this the easy way to go. You can certainly drive, but considering parking, putting on your boots and then walking you and your gear across the lot can make for a long start to your day.

- **Recommendation:** The closest bus stop is on main road between Snowblaze and Crestview. Take the 1<sup>st</sup> floor exit door (not the garage) and walk south on main street about 30 yards to the bus shelter.
- All buses stopping at this location will take you to the resort in one stop – EXCEPT for the Yellow Line bus – this bus goes up into Beaver village and makes several stops before heading to the mountain
  - There are other bus stops in town, north of Crestview, but not as convenient.
    - One is located on main street in front of the Cooper Creek Mall.
    - Another is located in the mall parking lot, adjacent to the ice rink. However, this is also a yellow line bus stop.
  - Returning to the Condo look for the orange and brown bus line and let the bus driver you are getting off at the Viking Lodge. The Viking Lodge can be the first or second stop conveniently lets you off right next to your building at the Viking Lodge – so it's a much shorter walk back to the condo.

**WHAT ELSE TO DO – IT’S NOT JUST ABOUT SKIING:** Winter Park is a world class ski area. Despite the allure of the slopes, there are many other great things to do in and around Winter Park. It is truly a Four Season playground. There are many suggestions in all the brochures and everything else available for tourist information so we won’t go into this whole list – I will just recommend a couple ideas.

- Skating and Sledding -There are a few pairs of skates and sleds for your use in the closet on the right off the main entrance of the condo.
- Skiing – Just wanted to suggest that if you need to rent gear, go across Hwy 40 and walk north a few blocks to Breeze at Ski Depot. You can pick up your gear the night before, or even better, pre-arrange with Breeze to deliver the gear to the condo. No extra charge for the “store-to-door” delivery service. This way you have no lines and hassle in the morning or dealing with a large crowds and a wait on the mountain. **There are also a few helmets in the downstairs closet that you may use without charge.**
- Snowshoes – **There are also (2) sets of snowshoes in the downstairs (left) bedroom closet for your use without charge** or you can rent them in town or at the resort. For a day off from skiing consider snowshoeing 20 miles north at Rocky Mountain National Park and hitting a trail.
- Ice Skating – You can see the rink from your window at the Cooper Creek Mall. **There are (2) pairs of children’s size skates in the entrance closet for your use (if they fit)** or Rent skates at Viking Lodge Ski Shop, just across Vasquez Road.
- Cross Country Skiing – Two phenomenal choices.
  - 1) Devil’s Thumb Nordic Center is a world class Nordic ski facility located in a beautiful hidden valley just 4 miles north. Head up Hwy #40 through Fraser about 1 mile and then look for the signs- it’s well marked.
  - 2) Snow Mountain Ranch – This is actually a YMCA resort with hundreds of miles of trails. May even better, in the summer this becomes a huge mountain bike facility which host international biking competitions
- Snowmobiling – Grand Adventures is south of the condo (toward Winter Park Resort) behind the Beavers Lodge. Their trails take you up to the Continental Divide. Some would argue that Trailblazer is the best because the trails are better and not as congested as Grand Adventure. They are located west of Fraser up St. Louis Creek.
- Hot Sulfur Springs – Just about 20 miles up the road is a natural hot springs along the Colorado River. Go north to Granby, then west 9 miles to the springs. The cost for a day there keeps going up, but it is not unreasonable for the experience – last time it was \$12 per adult. They have numerous small pools you can relax in outside - some just for two, one all by itself with a fence and one large indoor pool.
- Sledding – Head over to the “Tubing Hill” located up in Fraser. At the first light by Safeway take a left, it’s about 3/10 of mile up the road -- after going under the rail overpass, head up the hill to your left and you’re there. Besides just the tubes, they have rope tows that haul you back up to the top. They also have lights so it’s a great place at night for a fun activity to include adults. (2 new tubing hills were added in

2009.) The Fraser Adventure Park is also located there, just take the right fork. Same great tubing. Fraser Adventure Park has snow scoots for the little ones.

- Dog Sled Rides, Horse Drawn Sleighs, Hot Air Ballooning and much much more.

## **RESTAURANTS**

**There are several restaurants in Winter Park – some better than others. Here are our recommendations ☺**

### **BREAKFAST:**

**Here's the deal with breakfast. All the places are great and you should try eating out at least one morning before skiing and get those carbs stored up. We can't seem to stop going to Rise & Shine Bakery but the other choices below are raved about throughout town**

**Rise & Shine Bakery Cafe-** Small but great breakfast. Formerly Base Camp Bakery. New owner Peter Baldo has resurrected the all the classics, great specials, fresh roasted coffee, and fresh baked pies and muffins that we all loved. This place is usually packed so get there early. Free coffee when you walk in the door on the left – help yourself. You can also get takeout at the counter. We sit at the bar sometimes which helps you get seated faster. Located in WP, far end of town on the right hand side in a Park Place Plaza shopping center with the Conoco station (sign says “Bakery”). Business hours are 7 am – 2 pm.

**The Mountain Rose (used to be The Kitchen)** (970) 726-9940) - A wonderful 'homemade' breakfast, but don't be in a hurry. There are only so many tables and they take their time cooking and serving each breakfast. It is a yellow building midway through town on the left. Well worth it if you have the time.

**Carver's Bakery & Cafe** (970) 725-8202 - We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. It's behind Cooper Creek Square serves breakfasts, amazing cinnamon rolls and superb sandwiches. Our favorite lunch: The Mediterrean Chicken sandwich and a cup of French onion Soup.

### **COFFEE:**

**Unlike the rest of the population, we don't drink coffee very much so we aren't the experts here. It does seem that everyone goes to the three spots below (and of course one of those is a Starbuck's!)**

**Rocky Mountain Roastery** – (970-726-4400) A full-service coffee house featuring fresh in-store roasted coffee & espresso drinks, tea, baked goods & ice cream. Located in Fraser, in the Alco Shopping Center.. Internet Access.

**Starbuck's** – (970-722-5400) at the base of Winter Park, on side of Zephyr Mountain Lodge, very nice staff and you know the rest with Starbuck's. They have helped me order since I still forget the difference between a tall and a grande...

**Mountain Grind Coffee & Bistro** (970) 726-0999 - In the Cooper Creek Square shops. Winter Park's newest Coffee shop and is owner operated, very friendly. A Full service coffee shop and light bistro dining for breakfast and lunch, Items such as wraps, quiche and sandwiches. Pastries, baked goods & Gelato & Gelato (Italian ice cream) too. Free high speed wireless internet for customers (15 minute limit).

**LUNCH:**

**Rudis Deli – (970-726-8955)** We go here 7 times out of 10 when we dine out for lunch. I like the Avocado Turkey Melt. Make sure you ask for the side (potato salad, macaroni salad, or chips) – it's free with the sandwich but sometimes they don't ask and you get nothing. They have breakfast too until around 11am. If there is a line, don't be in a hurry. In the same shopping center as Pepe Osaka's and Breeze at Ski Depot on the East side of Hwy 40, in the middle of Winter Park.

**Club Car** (970) 726-1442 - on the slopes, the best lunch is here at the Mary Jane base area, it was expanded and improved for '05-06. Be sure to save room for dessert—particularly the mud pie. Go early and get great service and some locale advice. One time the bartender gave me one of the coveted Mary Jane 30 stickers.

**Carver's Bakery & Cafe** (970) 725-8202 - We get in debates with friends who go to this place as much as we go to Rise & Shine Bakery about which is better. New location in downtown Winter Park in the King's Crossing Shopping Center. Serves breakfasts, fresh espresso, amazing cinnamon rolls and superb sandwiches. For lunch, the French Onion Soup is good.

**Lunch Rock – on the mountain at the top of Mary Jane at 11,000 feet:** (970) 726-0280. This is my new favorite place to eat while on the mountain. Incredible location with stunning views of the Continental Divide (James Peak, Parsenn Bowl and the Fraser Valley. Gorgeous cathedral style building with stone fireplaces and metal chandeliers. The expansive outdoor deck is a great place to relax and re-group while looking at incredible mountain views. Pricey but does have a "bring your own/serve yourself" eating area. vTry the butternut squash soup...worth the \$15!

**Pepe Osaka's Fish Taco:** (970) 726-7159. Only open for Lunch on Saturday & Sundays. Another favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed on Wednesdays. Dates subject to change.. Call for seasonal hours

**The Ditch on 40:** (970) 363-7113. "It's all about the Red & Green" ..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a won ton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

## **DINNER:**

**Azteca:** (970)-726-4145: Located in Fraser (at the stop light across from Safeway) and a new location in Winter park coming soon. All food is made from scratch and is fresh daily. Good food, best margaritas in Grand County and great service. Very good Mexican food at a great price. The chips and cabbage salsa are awesome. Try the chicken chimichongas.

**Hernando's Pizza & Pub** (970) 726-5409: We go here more than any other restaurant in Winter Park, great place for families; casual; inexpensive; central fireplace, recommended by locals, often crowded because it has great pizza and salads. There are over \$20K of dollar bills on the walls. My dad likes it because they have a whole wheat crust option. I like it because they have a big salad that's yummy. My husband likes it because they have honey on each table to put on your pizza crust. Located in WP, far end of town, right hand side (next to Fontenot's).  
<http://www.hernandospizzapub.com>

**Pepe Osaka's Fish Taco:** (970) 726-7159. Only open for Lunch on Saturday & Sundays. Another favorite. Mex-Asian fusion? What? Delicious!!!!. Great selection of Mexican beers, tequila and great appetizers. Friendly service, great drinks, even better margaritas, and wonderful food. I don't even like sea food much. Tonight I had the teriyaki chicken taco and it was delicious. Loved the guacamole. I will be back soon...again and again. Closed on Wednesdays. Dates subject to change.. Call for seasonal hours

**The Ditch on 40:** (970) 363-7113. "It's all about the Red & Green" ..chili. Everything is smothered with red, green chilis, or both! Try the New Mexican wontons: sharp cheddar, ground chuck, chopped hatch chilis and garlic rolled into a wonton wrapper. Delicious. Also, try the sweet potato fries. Excellent.

**The Ranch at Devil's Thumb and Heck's Tavern** (800) 933-4339: This has become one of our favorite restaurants in the area because the drive out there, the views (make sure you arrive before sunset to see the magnificent landscape), and the food and ambience are the best around. You can eat in the fancier dining room (still can wear jeans and a sweater) or in the bar area where they frequently have live guitar music/singing. Try the prime rib special on the weekends. To get there, go past Fraser and turn right at County Road #83 (there will be a brown sign that says "Devil's Thumb Ranch"). <http://www.devilsthumbbranch.com>

**Deno's Mountain Bistro:** (970) 726-5332: Great bar atmosphere with TV's. The dining rooms are 'white tablecloth dining' and the food is very good, especially the steaks. The Greek salad is great too. On the right about a block after you enter town. Favorite place to sit is in the little alcove right in front of the fireplace.

**Vertical (in the Village at Winter Park)** (970) 393-7053: is an American style Bistro & tap Room.

**Fontenot's Cajun Cafe** (970) 726-4021: They have fresh fish dishes prepared New Orleans style. Just moved to the left side of I-40 in Winter Park as you are leaving towards Fraser. We heard it's a greatly improved atmosphere/space.

**Doc's Roadhouse** (970) 726-5587: At the base of Winter Park Resort in Zephyr Mountain Lodge. Great place to go after skiing and the food is quite good. Service is usually very friendly as well. Great place to watch a game and hang out for a few beers. Sample exotic appetizers and homestyle meals including Doc's Blue Plate Special. Doc's Roadhouse is open daily serving lunch & dinner.

**The Lodge at Sunspot** (970) 726-1446: Winter Park's award-winning mountaintop lodge. Two restaurants and a cozy fireplace lounge. Open daily during the ski season for lunch. Evening dining: take the new Zephyr Express gondola cabins available Thursday through Saturday, December through March. Reservations are required for dinner!

**Winter Park Sushi Bar** (970) 726-0447: Sounds bizarre in a mountain town, but this place has excellent sushi and is a favorite of locals. Enjoy over 30 different sushi rolls, or if someone doesn't want to try raw fish in a ski town, they can have steak which is good as well. Located on the right side of town as you approach from the resort.

**Star of India:** (970)-726-5991: Winter Park's newest restaurant, the Star of India opened in February 2009. Located in Cooper Creek Square The restaurant offers an all-you-can-eat lunch buffet option for just \$8.95, or order off their extensive menu for lunch and dinner. Bar service includes four Indian wines, half a dozen Indian beers, and Indian-style martinis and cosmos.

**Tabernash Tavern** (970) 726-4430: Just opened in summer 2008 and already a town favorite. Offering fresh homemade foods, including pastas, steaks, seafood dishes, salads and Chef specialties from around the globe. Call ahead for reservations. This place books up early!

**New Hong Kong** (970) 726-9888: Granby. Great food. We especially like the Lemon Chicken and the Mongolian Beef but it is all good. The wait staff is super attentive. Way better than any Chinese restaurant we've tried in Denver. Eat in or take out, they serve a great meal.

***In Grand Lake (40 minute drive, but well worth it!):***

**Rapids Restaurant** - fancy, on the river, far end of town

**Grand Lake Lodge** - summertime only; on the edge of Rocky Mountain National Park; incredible views, great food; pricey.

## NIGHTLIFE AND LIVE MUSIC

**The Foundry:** (970) 363-7161. Winter Park's only movie theater and bowling alley. Offering 2 theaters, 8 lanes of bowling, and billiards. Relax in the comfy couches and order some wood-fired pizza and cocktails. Check out what's playing at the movies: <http://foundry-wp.com/movies/>

**Winter Park Pub** (970) 726-4929 - downtown on Hwy. 40, which offers traditional pub fare, 15 beers on tap, and "Mystery Beer Night." There are a lot of 20-somethings here but no longer smoke-filled because of the new state law banning smoking in Colorado restaurants and bars.

**CALL A CAB** (or take the free shuttle if it's still running) if you've been drinking. They are strict in Winter Park and that's the last thing you want during your vacation.

**Valley Taxi - (970) 726-4690.**

**Randi's Irish Saloon** (970) 726-1172 - in downtown Winter Park is a good family restaurant with plenty of traditional pub food served at lunch and dinner. It's also a good place to watch the game. We prefer the Chargers but they let you root for whomever you want and have banners for all teams up on the walls.

**Down Under Bar & Grill** (970) 726-0094 - Open Mic Night, Ladies Night, Large bar area.

**Smokin' Moe's** (970) 726-4600 - Smokin' when it comes to live music! Check the Winter Park Chamber calendar of events for live blues music. <http://www.winterparkinfo.com/events/index.aspx>
